Update from Club Service Committee

1. Secretary/Treasurer Jenie presented a comprehensive preliminary budget/roadmap for the new club year. A shortfall of \$5,000 is currently predicted. Members ideas for new cash generating projects would be most welcome!
2. Options for varying the club dinners were discussed. If the meeting night was changed to Wednesday a **full menu** would be available.
3. Sec/Treas. Jenie is investigating alternatives to handling cash at our meetings.

Five Minute Talk from Francis Young

Francis embarked on the first instalment of a **History of Concrete**. It goes back some 7,000 years, including the building of Athens. The Romans discovered hydraulic (underwater) concrete. The basic, lime-based, chemical technology is used to this day. (To be continued)

Parting Thought from Francis Young

Misinformation is a dangerous thing, Think deeply before you give it wing

The Rotary Foundation

is the charity that sets us apart from other service organisations:

- Focusing on peace, health, education and poverty
- A unique funding model working on world-level scale
- [District Grants](#) enable Club projects to deliver greater impact
