## An opportunity to support a large Rotary project

Club financial support has been requested to top up a global grant to fund a programme to address child mental health in Northland.

AND BE ME**

**CHILDREN'S MENTAL  
WELLBEING PROJECT**

**HOW TO GET INVOLVED  
DONATIONS OR  
SPONSORSHIP**

A growing youth mental health pandemic

- 1 in 4 will experience a mental health issue by the age of 18
- 50% of mental health conditions start before the age of 12
- 15 young people are hospitalised with self harm injuries EVERY DAY

There is a better way to equip our tamariki to have better mental wellness - for life!

## Wanted— a new Bulletin Editor

Nigel is moving to the Omokoroa club.

“I have been closely involved with producing the Bulletin for the last 10 years, being sole editor for the last eight and a half years, during which some 300 editions have been produced. **It is time for me to move on.** I have found the role an interesting one, especially writing up what our Speakers and Greeters have to tell us.

I wish to step down as soon as possible and no later than the end of February.”

**It is time for a club member with some word-processing experience to step up and take on this role.**
