Speaker: Members “Thumbnail Biography” from John Dallimore

John grew up in Christchurch, finished school at Otago Boys High in Timaru, and commenced his long career in the insurance industry. A keen athlete and sportsman he also much enjoyed a part-time army career in the NZ Army territorials. After becoming an insurance broker, marrying Jose and starting a family of three they moved to Pakuranga in Auckland and he became a Jaycee until 1981, after which he joined Rotary. After managing insurance for Fletcher Challenge for many years he branched out into insurance broking for those in professional sport. He “semi-retired” in 2012 and moved to Katikati in 2016.

Five Minute Talk Toni Alexander

Toni talked about her work as a licensed [Immigration Advisor](#). She specialises in advising those wanting to immigrate to New Zealand to [run a business](#) and enjoys helping them start a new life here. She also enjoys volunteering to assist other advisors. After many years in Auckland she “followed her grandchildren” to Katikati.

Parting Thought from Toni Alexander

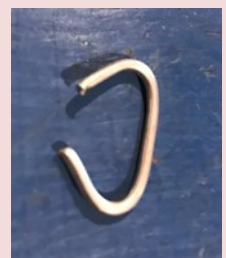

As soon as something stops being fun
I think it is time to move on
Life is too short to be unhappy
Waking up stressed and miserable is not a good way to live.
