## **Member's Talk** Rod Calver

Rod spoke about the imminent arrival of our [Rotary Youth Exchange student Julius Lange](#), from the Upper Rhine city of [Weisbaden](#) near Frankfurt in Germany. He the son of two teachers and is a cultured and travelled young man who will interest his fellow students.

He will be initially hosted for the first month by John & Jean Bothwell, followed by Meredith & John Ahearn. We are still seeking hosts into 2025.

Julius will have a varied programme during his stay including a 10 day student group adventure in the South Island in November, attendance at our meetings and at our District Conference.

## **Parting Thought** from Rod Calver

The best and most beautiful things in the world cannot be seen or even touched  
They must be felt with the Heart
