

Rotary Otumoetai

19th Sept 2022

Google Calendar Reminder:

We are almost there now with getting this to fully work. Well done everyone! If you have any questions, please contact Norm

We had an inspiring talk from Cam Hill co-founder of Good Neighbour. An amazing charity changing lives for the better in our community. The four strands of Good Neighbour are shown to the right:

- Projects – Helping Neighbours Transform their Communities
- Food Rescue – No Waste, No Hunger
- Community Gardens – Achievable Gardening for Everyday People
- Kitchen – Food at the Heart of Change

In memory of Her Majesty The Queen and marking the changing of one era to another, our club had two toasts. The first toast was to Her Majesty Queen Elizabeth II. The second was to our new King Charles III.

We currently have three live auctions on the go. This could be an effective long run fund raiser for our club. It would be great to get some higher value items. Do you have anything that we could list?

If so, please contact Paul Higson

Recent events:

- 10th September: Sausage Sizzle at New World Brookfield. This was a great profile raising opportunity, plus we raised some money for our charities. Well done to those involved.
- 18th September: Tauranga Marathon marshalling. Another great local event that we were involved in. Money was also raised again for our club and we helped the community. We are on a roll!! ***Plus our very own Bevan and Sonita Rakoia entered the 5 km run and walk.***

If you cannot make your duty on the assigned day, please swap with someone else.
