

# Rotary Otumoetai

**3rd October  
2022**

## Google Calendar Reminder:

We are almost there now with getting this to fully work. Well done everyone! If you have any questions, please contact Norm

Our speaker was Glenys Parton From ROMAC. It was great to hear about their good work. Like many programmes ROMAC was somewhat suspended during the pandemic and is now trying to restart.

Ex President Brian Hodge took the reins for the evening, as president Carmen was delayed in her return from Europe Welcome home Carmen!).

## Recent events:

- 9th October : Our first car boot sale was held. Another trial of this event will be occurring later in the year

## Upcoming project:

- Late October : WW1 Memorial Trees. This will be organised for October where we will undertake some tree maintenance and tidy up. *Time commitment would be around 1 hour and it will be our Rotary Day of Action project*
