THANK YOU

FOR YOUR CONTINUED SUPPORT AND

COMMITMENT TO MAKE OUR COMMUNITY

A BETTER DIACE TO LIVE AND WORK

Use your phone to bid!

Bid from anywhere, any time on our fabulous items!

- If you previously supplied your cell number to be able to participate in this evening's activities, by now you should have received a text message with a link to begin bidding on the Bidpal (a.k.a. onecause) portal.
- If you have not previously supplied a cell phone number, and would like to bid, make a donation, or receive this evening's announcements, please see one of our helpers with a green lanyard who will help you with this.
- Then simply click the link to begin! You may be prompted to add a credit card to speed checkout if you haven't already. You may also pay via cash or check at the checkout table in the silent auction area (the ballroom).

How do I submit a bid?

- Find the item you are interested in by using one of the four blue buttons and press **Submit Bid.**
- You can place your bid or use the **Buy Now** option.
- Confirm your bid and add a maximum bid to automatically outbid others.

Where can I access my items?

• You can find all of your items in My Items which is also your shopping cart.

Where should I pick up my items?

• Once you have purchased your item(s) through the Buy Now option or when you win the final bid, please go back to the silent auction area after 10:30. At that time, you will see a **Check Out** table set up at the entrance to the Ballroom. If you have paid via the app (or once you have paid via cash or check), one of our Runners will ask your name, pick up and bring your item(s) to you (please do not try to pick up your own item or we will be forced to use advanced secret agent methods to stop you).

More questions?

Please ask one of our roaming assistants or go to https://www.bidpal.com/how-to-bidpal/
