Where No One has Gone Before

Meet my sweet one-eyed
kitty, LeeLee

We have a lot of activities coming up in the next three months. Please review our calendar and sign up for the events that interest you. Since we meet every other months it can be difficult to get to know one another. I guarantee that if you attend a work project or a social you will bond with your Passport One Rotary members. We have great people in our club.

We are always welcoming new members, so if you know someone you think might want to join us, mention our club to them. Rotary members are community minded people who want to make the community and the world a better place. Applications are on our website. You can contact our Membership director, Kwame Acquaaah for more information.

Application for 2019 RYLA Are Being Accepted

Article by member, Jan Valine

Rotary Youth Leadership Awards or RYLA is a training program for future leaders who are currently Juniors in High School.

Participants attend an all-expense-paid-6-day camp at Grizzly Creek Ranch in Portola, CA. One hundred selected talented young people will spend one week in challenging discussion programs, inspirational addresses, leadership training and social activities, all designed to enhance personal development, leadership skills and good citizenship. For students hoping to pursue their studies past high school, this is a tremendous opportunity to prepare for individual life challenges they will face in college and work. Over the years, all participants have emphasized that this life challenging opportunity, which was beyond their expectations, has helped them prepare for future leadership as well as meeting life long friends. Parents have also conveyed how they were able to see a wondrous and positive change in their teenager's life after attending Camp RYLA. If you have any interest in attending RYLA, please complete this application online.

HAPPY BIRTHDAY TO YOU

The daffodil is the official flower for March. It is also known as the Jonquil or Narcissus. They are one of the earliest flowers to bloom and symbolize the coming of Spring and new beginnings. The trumpet like flowers come in a variety of sizes and colors. They are usually referred to as yellow, but they are also white, pink and even green.

Other attributes associated with daffodils are creativity, awareness, forgiveness and vitality.

All Rotarians have an opportunity to attend our district conference this year because of the ONE DAY format and the affordable costs. This is a new and innovative idea that our District Governor has decided to do this year. In the past, our district conferences have been three days long and in other locations away from Sacramento.

Let's have a great showing from Passport One. Don't miss this chance to attend.

Passport One WORK DAY April 13th

In the past we have helped other clubs with their work days, but on April 13th we are having a work day initiated by our club. This is a first for us, and we are hoping to get many members to participate.

We will be helping the Gathering Inn Homeless Shelter. They need help inside and out. We will be painting curbs and putting up shelves. They also need us to organize the donations they have received.

There is something for members of all ages to do. We need men and women to pitch in and help. We are starting at 9:00 am, and it should take 2 or 3 hours.

When we are through, we will meet at Monk's Cellar in Roseville for lunch.

Please Support our Golden Giving Program

Our Passport To People/Golden Giving program has brought happiness beyond belief to seniors in a care home who have no contact with anyone except other residents. Past District Governor, Janice Gage has done a remarkable job of giving our much appreciated donations to them.

Jan has run low on donations and gift funds we have donated in the past. There are three big holidays coming up, and we are asking our members to help once again.

Let's make Easter, Mother's Day and Father's Day special days for them.

Would you bring gift cards of any amount to our April 7th meeting, so Jan can keep our program going. Jan said even \$10 would help. You can also donate cash if that is easier for you.

We ask that you bring gift cards of any amount to our April 7th meeting.

WINE'd UP FOR YOUTH

May 11th

Past President JoAnn Tanner is Crushing It as our Resident Grape. Go to Facebook to watch her hilarious video.

HAVE YOU SIGNED UP TO VOLUNTEER?

Our big fundraiser, “Wine-d Up For Youth” is closer than we think. Please go to our sign-up link and add your name to the list. We will post specific volunteer positions in a few weeks so you can choose exactly what you want to do. Until then, please add your name to the list.

Our club budget has been very tight since we were chartered four years ago. We have had limited discretionary funds after our obligations have been paid. There are many worthy projects and club activities we want to do, but if they require financial support we have to say no. This is a wonderful opportunity for us, and we need support from all of you to make this event a success. If it is successful, (and we are convinced it will be), this can be an annual effort that can change the direction of the club.

Past President Dwight Chambers is chairing the event. We are fortunate he is at

the helm, because he has chaired a similar event when he was a member of another club. But it won't be successful if we don't have support from all of you. We want at least **40 volunteers** on the 11th. Your family members and friends are more than welcome to help.

THE BOWLING STONES

On March 16th, Mardi Gras Lanes was invaded by Passport One bowlers. Although our scorers were nothing to brag about, we had a great time. We finished the night without doing any major damage to ourselves or the lanes.

The group decided not to reveal who bowled the highest and lowest score. The low was is the "50" range, the high was "166."
