About Our Program:

Canine Companions For Independence began in 1975 and is the largest provider of assistance dogs in the world. They match dogs with children and adults with disabilities as well as providing dogs to professionals assisting clients with special needs. Only exceptional dogs are suitable to become assistance dogs which is why every stage of their development is important. Puppy Raisers are volunteers who agree to keep the pups for 14 to 18 months and train them basic commands and socialize them in public places.

FEED MY STARVING CHILDREN PROJECT NEEDS OUR HELP

FEED MY STARVING CHILDREN was founded in 1987. It is a non-profit group that provides nutritionally complete meals specifically formulated for malnourished children. Ways to support this fine cause are:

1. Donations
2. **Volunteering to hand-pack meals**

The meals are donated to FMSC food partners around the world, where kids are fed and lives saved.

<https://www.youtube.com/watch?v=bCpgpu7djOo>

This year Rotary's wants to expand our support. The goal is to have all 5180 provide volunteers needed to pack 100,000 meals. We will **need 400 people** to help pack meals on **October 20th from 8:00 am to 10:00 am at William Jessup University in Rocklin.**

THIS YEAR'S ROTARY GOAL IS 100,000 MEALS.

YOUR BOOK BUDDY IS WAITING FOR YOU

Would you like to become a **Book Buddy** to students attending Cirby Elementary School in Roseville? “Book Buddies” is a fun and rewarding program that pairs you with 1st to 3rd grade students whom you purchase books for about once a month. You have a pen-pal relationship with your buddy where you share thoughts about the book you gave them. Then about a month later, you get them another book and exchange letters again. The program is organized by the Rotary Club of Roseville, and last year we had 10 members participate.

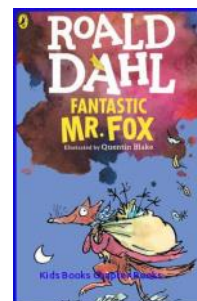

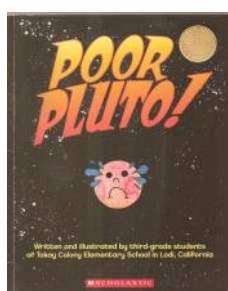

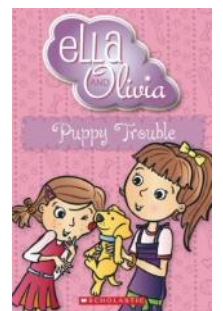

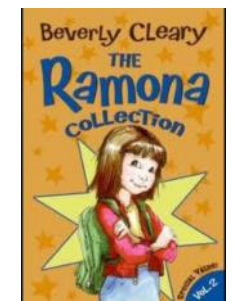

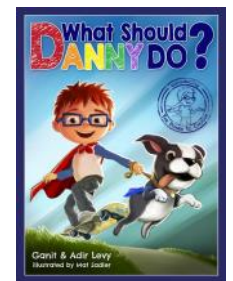

Book Buddies starts in the next few weeks, so please let us know if you can participate on or before October 5th. There will be an initial meeting with your student (date TBA) followed by the book exchange throughout the school year. You meet your student again in mid-May when you can talk about the books you shared and say Good-Bye.

This is a great opportunity to make a difference in the life of a child by instilling to joy of reading in them. Reading is the single most important skill people need to know to function in today’s society.

Book Buddies is as rewarding to the adults as it is to the students. We hope you can help.

Leigh-Ann Reinero is the contact person to sign-up for Book Buddies and to collect your books and letters throughout the year.

OUR JOINT MEETING WITH ROSEVILLE ROTARY

We had a fantastic showing for our joint meeting with our partner club, the Rotary club of Roseville. It felt good to see how impressed they were with how far we have come in only 4 years. Many thanks to **Eric James** who showed Roseville how we play "Rotary Feud."

I'll Bet You Didn't Know:

1. **Astronaut Buzz Aldrin, an honorary Rotarian, planted a Four-Way Test pin on the moon.**
2. **When Paul Harris was in high school, he played the drums in a rock band.**
3. **Astronaut Frank Borman, of the Rotary Club of Space Center Houston, took a club banner on his orbit around the moon on Apollo 8.**
4. **Paul Harris met his wife, Jean Thomson, when she was a trapeze artist in a circus.**
5. **King Kong was a member of the Rotary Club of Skull Island.**
6. **The first Rotary Club meeting in Chicago was supposed to be at Mrs. O'Leary's barn, but it caught on fire.**
7. **OK, I admit that only TWO of the information items are correct. Do you know which ones they are?**

Happy Birthday To You

BloodSource has a new name:**BloodSource is now Vitalant!****Message from Bloodsource**

We're not just changing our name. We're changing the game.

Blood donation makes a monumental impact on the lives of people across the country. You know this as you've believed in our cause enough to partner with us and help spread our message about saving lives through blood donation.

We want to spread that message even further. So we have joined with other blood centers across the country to form Vitalant.

It's all about driving donations and innovations. By joining forces, we can help more people realize their life-transforming potential. And we can combine resources to develop new innovations that increase the potential in every drop of blood.

Your commitment helps us make every day awesome for patients in need. We're still in the same place. We're still the same people you've been working with. And now we're part of something bigger, in the same way that giving blood connects you to something bigger. This is an exciting journey. We look forward to sharing it with you.

You can still go to [Bloodsource.org](https://bloodsource.org) and you will be directed to Vitalant to schedule your appointment. You can schedule your appointment on line. **When you go into give blood and they ask if you are donating for a specific group, please mention Rotary Passport!** It's a great way for our community to see how Rotarians are making a difference.

We are hoping to have a large representation of Passport One members at the annual Foundation dinner on November 3rd. This is a big event to honor the Rotary Foundation and recognize the tremendous support from District 5180 Rotarians. We will be reserving at least one table for the dinner. If you want to go, please get your ticket through us, since we are paying for ten seats in advance. Contact lrainero@yahoo.com if you can attend.

WHAT ARE YOU DOING ON OCTOBER 20th?

There is an urgent need for Rotarians to help pack meals for malnourished children around the world. It is estimated that it will take at least 400 volunteers to do the job. This is a project that needs Rotarians to step-up and do our part to help make this happen. The goal is for Rotary to pack 100,000 meals.

Clubs are being asked to allow 5 minutes at their meetings to talk about this event. It is hoped that each club will send 10 club members plus their Interact club. Each club is also asked to donate \$500 to the cause.

When you pack a box of food, picture the face on the child who will unpack it.
