In 1988, polio was endemic in 125 countries and crippled or killed 350,000 children each year. In 2016 so far, there have been just 27 cases, and the disease has been confined to three countries, Pakistan, Afghanistan and Nigeria.

## November is Disease Prevention & Treatment Month

During my round of visits to clubs, I have been made well aware of many projects being carried out both locally and internationally which deal with this particular Area of Focus, not the least of which is the eradication of polio.

The untiring work of our volunteers around the world who travel long distances into some of the most dangerous places to deliver the vaccine, has not gone un-noticed by our partners in this fight, namely CDC, UNICEF, WHO and the Bill and Melinda Gates Foundation.

**Your work here, supporting the eradication of this disease through your generous donations to the Rotary Foundation will help us reach our goal by the end of 2017. Yes, we are THIS CLOSE.**

I encourage you to read the story about a boy who could be one of the world's last victims of polio: <http://www.latimes.com/world/la-fg-global-afghanistan-polio-snap-story.html> PLEASE DONATE TODAY!

## RC Port Pirie

Brian Condon – 57 years as a Rotarian

Excerpt of text and photos by Greg Mayfield, RC Port Pirie

A tribute evening to Brian Condon was nominated by the long-serving Rotarian as his greatest moment with the service club.

The event featured a message from RI World President John F. Germ, who recognised Mr Condon's achievement in notching up 57 years with the Rotary Club of Port Pirie as its longest-serving member. He said that Mr Condon remained a member because of his passion for service and commented that his dedication had helped make Rotary "such a great force for good in the world"

Mr Condon, 90, said the celebration of his life in Rotary was the highlight of a "million" great moments in the club. *"It was the culmination of 57 years. To have the District Governor John Pohl come up to present me with a letter from the Rotary International President ... gee, how much better does it get?"* he said.

Club President Dannielle Camporeale presented Mr Condon with a plaque containing his original membership application form. She also handed him a crystal clock.

District Governor John Pohl said Mr Condon had contributed thousands of dollars to the club's charity, the Rotary Foundation. This is particularly important to Mr Condon because the Foundation is helping fight to eradicate polio worldwide and Mr Condon lost a boyhood friend to the disease.

DG John presented Paul Harris honours to members of Mr Condon's family, Sonya Caddy and Evette and Sam Arnold, including a third Paul Harris Ruby to Sonya. Congratulations, Brian!

# Rotary head visits Clare

BY SCOTT MURPHY

THE Rotary Club of Clare gathered on Monday night at the Clare & Gilbert Valley Council chambers to discuss its community involvement and the future of Rotary in Australia.

Among the night's guests were Rotary District Governor John Pohl, who delivered an address about the worldwide changes to operations which would affect the club.

"I need to ... bring you up-to-date with what is happening across Australia and New Zealand," Mr Pohl said.

"(We will be) re-numbering the districts because, simply put, we are losing numbers."

Mr Pohl also said rule changes would allow clubs to set their own attendance targets and meeting schedules, noting how standards may differ depending on individual circumstances.

"You can now set the bar wherever you like and it's up to the board to do that," Mr Pohl said.

Rotary has also abandoned membership classification, allowing more of the same disciplines to join clubs.

"We don't have to put anything on our badges anymore, we've knocked it off completely," Mr Pohl said.

The club's community work with youth was also praised by Mr Pohl, as well as the club's online branding – such as its use of Facebook and website.

"The district is very proud of your club," Mr Pohl said.

Mayor Allan Aughey opened proceedings, inviting members to gather in the council chambers.

Council's CEO Roy Illight also attended and gave a presentation on council's *Colours of Clare* project – elaborating on the project's goals and the achievements so far.

Rotary has a variety of programs which are for the benefit of people in Australia as well as for those overseas.

Details: The Clare club meets fortnightly on Monday nights. For more information visit facebook.com/rotaryclubofclare, email clare.rotary@gmail.com or phone 8842 2664.
