

Greetings all,

Welcome to week 5 of E-Club Greater South Oz.

I am writing this as I am getting ready to go to the airport for the Emirates flight out of Adelaide direct to Dubai and then on to Birmingham UK. Some friends are picking me up there and we will have lunch and they will drop me in Nottingham for the Games. It is unfortunate :-) that the Classification of Athletes has been delayed 3 days so I will be "forced" to fill in time attending the first 2 days of the 4th test at Trent Bridge, I hope my presence will lift the spirits of the Aussie team to at least be competitive.

After the games I will spent a couple of weeks rolling around Scotland -thus ticking off another of my bucket list. Home at the end of August.

While away I intend to keep up the Pres Bytes and it will be interesting to see how it all works out. I would also like to try a GoToMeeting with all of us online, so over to you Webmaster Graham!

I am not sure how many Rotarians know about the weekly new letter from RI Direct to your email address, it has a lot of current information and connections to great stories about projects and activates. please have a look by clicking [Here](#) for our Rotary info spot

I have left this item in again this week you will find a story from DG Doug's partners project, Donate Life, Lynne has a personal experience of organ donation -so go see more about this project at this [web link](#).

Cheers for now
Pres Eric
