Rotarian Food For Thought

“If we want to see another century of Rotary, we must make Rotary attractive to young people. Many young people share our beliefs. To get them involved in Rotary, we must concentrate on activities that capture their attention, so they are willing to make a commitment. It is not the responsibility of young people to come to our clubs. It is *ours* to invite them.”

- Robert Barth,

Address to 1994 Rotary Convention,  
 Taipei, Taiwan
