"The RoboHawks", FIRST® Team 346, is a robotics team located at Lloyd C. Bird High School in Chesterfield Virginia. FIRST (For the Inspiration and Recognition of Science and Technology) was founded by inventor and engineer Dean Kamen in 1989 to encourage students to explore careers in Science, Technology, Engineering, and Mathematics. Rotarian Food For Thought

“We can teach children to love. We can teach them to respect themselves and others. We can teach them to set goals and work toward them. And in return, they can pass on these life-affirming values to the next generations.”

- Herbert G. Brown,
 Address to 1995 President's Conference,
 Chicago, IL
