

THE ROTARY CLUB OF WEST WOLLONGONG CHARITY RACE DAY

Saturday 12 September 2026
12 Midday for 12:30

The Rotary Club of West Wollongong is organising our annual Charity Race Day to be held on **Saturday, 12 September 2026** at Kembla Grange Racecourse and we warmly invite you to join us, as we enjoy good food, good company and all the excitement of an afternoon watching beautiful horses, doing what they are lovingly trained for ... running around the track to the cheers of the crowd!

This is our club's major fund-raising event for the year. Last year's Race Day was a highly successful event combining fun, fashion and fundraising. We invite you to come along and be part of it this year.

THIS YEAR'S EVENT WILL BE IN SUPPORT OF TWO WELL KNOWN LOCAL ORGANISATIONS

- providing life skills for people with disabilities in a supportive and inclusive environment

<https://www.flagstaffgroup.com.au>

- empowering people of all abilities to embrace their fullest potential every day.

<https://greenacres.net.au>

This is a great opportunity to get together with friends and work colleagues, *perhaps celebrating a special occasion*, for a fun-filled afternoon at the races.

Tickets are just \$115.00 per person!
