PO Box 138, Ingleburn NSW 1890

President's Report

Firstly, I wish to notify you of some club executive positional changes.

President Vanessa has resigned as President but will remain a member of the Rotary Club of Ingleburn. Vanessa has advised that she is unwell, and cannot continue in her role for health reasons, and wishes for privacy at this time. Please respect Vanessa's request. Our thoughts and best wishes for a full and speedy recovery go to Vanessa. Vanessa has been granted Leave of Absence for the remainder of this Rotary year.

We also wish to confirm that Gabrielle Clague has resigned as Treasurer, and as a member of Rotary. We take this opportunity to thank Gabby for her years of dedicated service as Treasurer, and Wheel Coordinator for the last 4 years; she will be missed.

The Board of the Rotary Club of Ingleburn acted quickly to fill these casual vacancies at its Board Meeting on 5 February 2024.

PDG William Salter volunteered to fill the role of President for the remainder of the 2023–2024 Rotary Year; the Board accepted Bill's nomination unanimously. As Bill will be on leave until mid-March, Secretary Jan Domanski will continue to chair our fortnightly meetings in the interim.

Brenda Simpson was nominated as Treasurer. Brenda agreed to act as Treasurer, and subsequently the Board unanimously appointed her to the Board vacancy, and as Treasurer, for the remainder of the 2023–2024 Rotary year. Brenda will commence taking over the role of Treasurer in the coming weeks.

A personal thank you to the members involved in our various projects in the lead-up to Christmas and into the new year:

- the Community BBQ at Glenfield Park supporting the Campbelltown City Council;
- the three projects at the Minto Gardens Residential Aged Care facility;
- the Carers’ Christmas BBQ at Myrtle Cottage Group;
- our ‘Gifts of Hope’ project: sourcing, sorting, wrapping, and delivering over 600 Christmas presents;
- ‘Bacon & Egg Roll’ breakfast at the monthly Car Show in Campbelltown (*a new monthly project*);
- RYLA (*Rotary Youth Leadership Awards*) camp at Stanwell Tops;
- the weekly Wheel at Minto Marketplace; and
- Our club’s fortnightly Meeting attendees.

While taking on the President’s role for the remainder of the 2023-2024 Rotary year, my main aim is to liaise and support the President Elect in her preparation for her year, together with the Avenues of Service Directors, and our members to achieve their goals, along with the governance items that occur in the coming months. I am looking forward to the challenges ahead.

Remember, if we have a passion about any project, look within and think about my motto:

IF IT IS TO BE : IT IS UP TO ME

Yours in Rotary

PDG BILL SALTER
President 2023-24

Club Celebrations: March 2024

March 2024 will see 5 people celebrating their birthdays: **Rotarian Syed Akram Ullah** (1 Mar), **Friend of Rotary, Judy Wicks** (5 Mar), **Rotarian Javed Akhtar** (11 Mar), **Julie-Ann Carroll** (17 Mar), and **Friend of Rotary Warren Morrison** (20 Mar)

Wishing everyone, wonderful birthday and all the best in 2024!

Congratulations and best wishes to **Rotarians Vanessa Olsen & Russell Howes** who will celebrate their first anniversary on 25 March

For their continued support of Rotary International and their service to our community, our club sincerely thanks: **Kaiser Ahmed, Mohamad Khalil** (1 March), **Zahangir Alam** (corporate) and **Tamara Chowdury** (15 March) for 2 years, **Estefanie Abaya, Steve Marshall** (2 March) and **Vanessa Olsen** (30 March) for 3 years, and **Mohammad Foiz** for 5 years on 5 March.

March is

WATER, SANITATION, AND HYGIENE MONTH

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water, and more time helping their families.

HOW ROTARY MAKES HELP HAPPEN

A few years ago, Rotary issued a global challenge to its members, asking them to work collectively to improve education quality and access — particularly for girls — by working with communities to improve teacher training, curriculum, and water, sanitation, and hygiene facilities. Through water, sanitation, and hygiene (WASH) programs, Rotary’s people of action mobilise resources, form partnerships, and invest in infrastructure and training that yield long-term change.

Rotary makes amazing things happen:

- Strengthen the ability of communities to develop, fund, and maintain sustainable water and sanitation systems.
- Provide equitable community access to safe water, improved sanitation, and hygiene.
- Support programs that enhance communities’ awareness of the benefits of safe water, sanitation, and hygiene.
- Support career-minded professionals’ studies related to water and sanitation.
- Create tools and resources that facilitate, measure, and enhance high-quality water and sanitation projects worldwide.
- **\$24.00** is all it takes to provide one person with safe water.

- **23 million people** now have safe water and access to sanitation and hygiene thanks to Rotary projects.
- **123 schools** in Ghana have gained access to basic sanitation and hygiene services due to the Rotary-USAID partnership.
- **2030** is the year Rotary hopes to finish providing everyone with safe water, sanitation, and hygiene.

Rotary's Impact on Water, Sanitation and Hygiene

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in our own backyard.

WASH Global Grant Projects: Since 2013, The Rotary Foundation has invested in more than \$148 million in water, sanitation hygiene, and water resource management interventions /projects globally. Through this investment, improved access to basic WASH services to communities, schools and healthcare facilities, while protecting and conserving water resources.

Rotary-USAID WASH Partnership: Rotary, and the US Agency for International Development (USAID), assist communities and governments to plan, finance, and deliver safe water, sanitation, and hygiene services while sustainably managing water resources such as the projects in the Dominican Republic, and Ghana.

WASH in Schools Target Challenge: Rotary *challenges* members to develop sustainable projects that comprehensively address the most pressing water, sanitation, hygiene (WASH), and education projects like those being piloted in five countries: Belize, Guatemala, Honduras, India, and Kenya.

What are Rotary clubs doing to focus on Water, Sanitation and Hygiene?

Clean water, sanitation, and good hygiene is a human right, but can be often denied. There are 2.5 billion people in the world who lack access to improved sanitation, and 748 million people who don't have clean drinking water. At least 3,000 children die each day from diseases caused by lack of sanitation, and unsafe water, which is what motivates Rotarians to build wells, install rainwater harvesting systems, and teach community members how to maintain new infrastructure. Rotarians don't just build and walk away; they integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school; and they can take those lessons home to their families, thus expanding Rotary's impact.

While very few people die of thirst, millions die from preventable waterborne diseases, providing the impetus for Rotarians to also improve sanitation facilities in undeveloped countries. Members start by providing toilets and latrines that flush into a sewer, or safe enclosure, and then add education programs to promote hand-washing and other good hygiene habits.

Nine years ago, in 2015, the United Nations introduced their new Sustainable Development Goals (SDGs) to end poverty and promote prosperity while protecting the environment and addressing climate change. Sustainable Development Goal (SDG) 6, on water and sanitation, encourages us to address universal access to drinking water and sanitation along with improved water management to protect ecosystems and build resiliency.

Rotary members are committed to reaching the water and sanitation SDG through projects like building wells, installing rainwater harvesting systems, and teaching community members how to maintain new infrastructure.

During March, Rotary's Water, Sanitation, and Hygiene Month, Rotarians celebrate their commitment to creating healthier communities by supplying clean water, and sanitation facilities to prevent the spread of infectious diseases.

CHRISTINE SALTER
Bulletin Editor, 2023-24

Rotary Foundation

This month's Foundation Moment; a quick insight into our Charity – The Rotary Foundation.

INVESTING IN ACTION

The Rotary Foundation plans for the future, not just for today, and helps members put ideas into action. In the words of Arch Klumph, RI President, 1916-17:

“Rotary has assumed a great obligation to the world Its opportunities are limitless, but its income today and of tomorrow will never permit it to do the many things which it could and should do. Let me remind you of these three facts: (1) money alone does little good, (2) individual service is helpless without money, (3) the two together can be a godsend to civilization.”

The Foundation gives thanks for the time, energy, and financial support given to Rotary's mission.

THE ANNUAL FUND

Donations to the Annual Fund help Rotary, and Rotaract, clubs take action today to create positive change in communities close to home, and around the world. Contributions help strengthen peace efforts, fight disease, provide clean water and sanitation, save mothers and children, support education, grow local economies, and protect the environment.

The Rotary Foundation's Annual Fund includes SHARE, the World Fund, and the areas of focus funds. The ['Every Rotarian Every Year'](#) initiative asks all members to donate to the Annual Fund each year and take part in at least one Foundation project or program each year.

ANNUAL FUND - SHARE

Through the SHARE system, contributions to The Rotary Foundation are transformed into grants that fund local and international humanitarian projects, scholarships, vocational training teams, and more. At the end of every Rotary year, contributions directed to the Annual Fund-SHARE from all the clubs in the district are divided between the World Fund and the District Designated Fund (DDF), after 5% is deducted for operating expenses.

At the end of three years, our district can use the DDF to pay for Foundation, club, and district projects that our club, and others in the district, choose. Districts may use up to half of their DDF to fund District Grants. The remaining DDF may be used for Global Grants or donated to PolioPlus, the Rotary Peace Centres, or another district.

ANNUAL FUND - WORLD FUND

The World Fund provides the necessary funding for the highest-priority activities around the globe. Although 47.5% of the donations directed to Annual Fund SHARE are applied to the World Fund automatically, donors can

also choose to direct the entire gift to the Fund. The Foundation uses the money to pay for grant and program opportunities available to all Rotary districts.

ANNUAL FUND - AREAS OF FOCUS

Annual Fund contributions that are directed to the Foundation's areas of focus count toward a club's annual giving goal, and per capita giving calculations. They are not included in a District's SHARE calculation, and do not increase its DDF.

PDG BILL SALTER
Foundation Director 2023-24

Community Service

AUSTRALIA DAY AT MINTO GARDENS

It was a hot and sunny day in January when six eager Rotarians gathered at Minto Gardens for their annual Australia Day BBQ. Gail, Beth, Brenda, Roz, Ken, and Peter were determined to make sure that the residents had an enjoyable time, savouring the delightful food, while engaging in lots of conversations and fun.

Outside in the heat, Ken, and Peter, tearfully peeled and sliced the onions, then set about cooking the sausages and onions on the hot barbeque plate. Meanwhile inside, in beautifully air-conditioned comfort, the others were spreading tablecloths, laying out cutlery, and preparing the serving areas.

The residents were arriving early, just to socialise in the wonderfully cool room. There were quite a few friendly greetings for the Rotary people as we are becoming more familiar to the residents over time.

Eventually the snags and onions arrived, and alongside all the tasty salads on the table, it was officially time to share the goodies.

Now, if you have ever been at a group gathering of 80 or so people, it is not always a good idea to yell out *“come and get it”* because the whole group may descend at once causing havoc.

But at Minto Gardens, this is not the case! These delightful people all gathered up their plates and formed a long well-mannered line. With a lot of *“please”* and *“thank you”* being said, the line moved very quickly and, before long, all were fed.

The ice-cream drumsticks were a pleasant surprise for all, including the Rotarians! As we departed after the cleanup, there were lots of good wishes for us, and many thank you gestures with open invites to return.

Many thanks to Kate, the Manager at Minto Gardens, for organising, and purchasing, all the food. It certainly made our involvement much easier.

CAR SHOW BBQ

Our club was approached over the holiday break to see if we could provide a breakfast BBQ at a local car show on the last Sunday in January. We bravely accepted the invitation knowing that we were to cook bacon and egg sandwiches (NOT sausages !!) at 7:00 AM in the morning.

So Rotarians Bill, Steve, Beth, and Peter turned up at the carpark on the old Bunnings site in Campbelltown, ready to go at 6:30 am. What’s this? **NO** cars were there, only the organiser, Macca. Not daunted by the scene, we set up our BBQ and began cooking.

Well, it didn’t take long before we heard the thunderous roar of the first car as it arrived. Then they came like ants, one after another until the carpark was full of shining metal and lots of people. There were all different makes and models being proudly shown off, with lots of discussion between owners covering all sorts of mechanical and cosmetic features.

Steve, and Peter, were hard pressed to keep up the supply of cooked bacon and eggs. Remember, we are experts at sausages and, sometimes steak, but not these funny runny eggs!! As Beth took the money and called out orders, Bill expertly assembled the sandwiches, and served. We must have been doing it right because people came back for seconds.

As 9:00 am approached, it was incredible to watch as all the cars just started leaving until there were virtually none left. The organiser, Macca, thanked us for our involvement and was quite happy with us.

We have made a commitment to do the breakfast BBQ for the year, on the last Sunday each month. So, if you want to see some beautifully presented and loved cars, come and join us.

There were families there, and everyone was really friendly. The BBQ was all over and gone by 9:30 am.

Cars, coffee, and a BBQ breakfast on a Sunday morning what more could you want to brighten your weekend?

A BIG THANK YOU

Thank you to Gabrielle “Gabby” Clague for her ongoing organisation, and running, of the club’s “Saturday Wheel” over recent years. Every single week during the year, Gabby, as Wheel Captain, has done the pre-organisation for the wheel during the week, and then arrived early on Saturday to greet her fellow Rotarians over a cup of coffee. Over the next few hours Gabby would laugh and chat with customers, while maintaining the official record of winning tickets. She would then have to bank the proceeds during the week.

It is a big commitment of time to be involved every weekend, but Gabby did it with a smile for all our customers.

So, as Projects Director for our club, I would sincerely say **‘thank you’** Gabby for all your time and efforts with our Saturday wheel. Your commitment has been truly appreciated by all club members.

PETER FLEW
Community Service Director 2023-24

International

HONORARY MEMBERSHIP

It was with immense pleasure that one of our members, Devendra, was able to personally present Nabaraj Sigdel, our support worker in Nepal, with his Honorary membership to the Rotary Club of Ingleburn.

Devendra presented Nabaraj with a Certificate and a club shirt. This award was in recognition of Nabaraj’s tireless efforts in the purchasing, and delivering, of goods for a range of projects we have been involved in in the village of Taruka.

SHREE KRISHNA SECONDARY SCHOOL: NEPAL

Extension of the Library Project at Shree Krishna Secondary School in Taruka, Nepal

As a result of the efforts of Nabaraj, we have been able to provide two additional book racks and books to add to the school library. These resources have played a vital role in supporting the improvement of the literacy skills of the students. The school Staff, and Council, select the types of books to support the curriculum, and Nabaraj then purchases them on

our behalf in Kathmandu.

Our aim is to provide additional books each year.

GAIL TAYLOR
International Director 2023-24

Membership

The Rotary Club of Ingleburn is known for upholding the motto of ‘People of Action’ and is always looking for new members.

Should you know anyone with a passion to serve our community, please have them contact us.

Membership development has taken a blow with one member not continuing their membership at the half-yearly renewal, as at 31 December 2023; in the period since 1 January, another member has resigned. We have also given two financial members a ‘Leave of Absence’ up to 30 June 2024 due to varying reasons.

The Membership Committee is working on ways to increase membership; for example, an Information Night in

April with other projects in the planning stage. For these projects to succeed, a **whole of club** support is required rather than left to a few members. This got us thinking about the below Goal Setting comment below.

Things are not all bad, we have a membership enquiry through our website, together with two Application for our official 'Friends of the Rotary Club of Ingleburn' program.

The primary purpose of the Friends of Rotary Program is to provide an opportunity for community-minded people to become connected to our club and, therefore, have an opportunity through which to volunteer their time, and become more connected to their community. The reasons for someone choosing to become a Friend of Rotary, as opposed to becoming a regular Rotary member, might include time, work, family commitments, or financial constraints. Nevertheless, they would like to be actively involved in their community and help promote the Rotary ideals. It is also an objective that Friends will, in time, progress to become a regular member.

GOAL SETTING WORKS:

With goals, we can all *'Create Hope in the World'*.

What an impact it would be if every club in our region actively set goals for support of The Rotary Foundation, for membership, for public image, and for having fun in 2023-24.

Research shows that you achieve more if you set goals and, even more if you, write your goals down. Let's set club goals and document them in Rotary Club Central.

Just think of the impact if every club committed to a goal of a NET increase of one member for each of the next 5 years. Is this "a big hairy goal"? Well yes, based on last year's results. However, we suggest is it achievable with good action plans for identifying new members, and for the retention of existing members.

Bill saw the following comment in an article that he read for Rotary Zone 8 statistics; however, the same applies if we extrapolate it to our club. The Zone would see a net increase of 1,236 members per year, 6,180 in 5 years for our region - approximately 20% increase in members in 5 years: instead of the 10% Zone decrease over the past 10 years!

The Rotary Club of Ingleburn had a significant increase in the period two to five years ago, however, we have plateaued and lost members in the last two years; therefore, we need to not only set goals, but get member buy-in to help achieve the desired outcomes.

BILL SALTER & DREW PERCIVAL
Co-Membership Directors 2023-24

New Generations

INTERACT

The Club is hoping we can have support from both Sarah Redfern High School and Hurlstone Agricultural High School Interact Clubs for the *Ingleburn Alive* Festival on Saturday, 16 March. Both schools have been advised of the details for the day, and we await confirmation of the names of students attending.

RYLA (Rotary Youth Leadership Awards)

Our two RYLA candidates, Joyce, and Isabel, attended our last Club meeting and gave members, and visitors, a comprehensive, day-by-day report of the activities at the 6-day program, which was held at Stanwell tops in early January 2024.

They were most enthusiastic and talked about the positive impact of the program, and the ongoing friendships that were generated. Both feel that it will have a profound impact on their careers and lives for the future.

Isabel & Joyce

Isabel, Joyce with Barry

RYPEN (Rotary Youth Program of Enrichment)

The first RYPEN of this year will be held at Cobbitty Teen Ranch on 17 to 19 May. I will be seeking applications for young people, 14 to 16 years old, to attend. More information will be in the next newsletter.

BARRY WOOLFE
New Generations Director 2023-24

Vocational Service

VOCATIONAL SERVICE - *this is both a Club, and members, responsibility.*

Welcome All to 2024....

PRIDE OF WORKMANSHIP AWARDS

This report is largely a reminder to all with the annual Pride of Workmanship awards coming up very soon. The awards will be presented on the evening of Tuesday, 26 March; a usual meeting night.

The structure of the event will be 6:30pm for a 7:00 pm start. Dinner will be served during the event and will comprise of a two-course meal for \$45.00 per head.

Quite a number of invitations have been sent out to various businesses and schools, inviting them to nominate an employee. This will be, as usual, a very enjoyable occasion.

I ask that all members note down this event, and for 'Friends of Rotary' and other readers of the Ingle Angle, I strongly recommend you book in to see the delight of the recipients when being acknowledged, and receiving their plaques, and to share the occasion with all at the event.

FIRST RESPONDERS MACARTHUR AWARDS

Barry and Steve are our club's representatives on the Macarthur Clubs of Rotary Organisation Committee for the First Responders Macarthur Awards. Thank you, Barry, for providing the following update.

The First Responders Macarthur Awards evening will, again, be held this year at Wests Leagues Club on Wednesday, 13 March. Your invitation is attached, showing the Emergency Services participating in these awards and we ask you consider supporting this event for local Emergency Services.

DREW PERCIVAL
Vocational Service Director 2023-24

2024 First Responders Awards Dinner

You are cordially invited.

The Rotary Clubs of Macarthur First Responders Awards recognise first responders in both paid and volunteer positions in the Macarthur area. The Awards acknowledge community service of:

- Fire and Rescue New South Wales
- New South Wales Ambulance
- New South Wales Rural Fire Service
- New South Wales State Emergency Service
- St John Ambulance

A panel of independent judges have assessed nominees on the following key criterion:

Community service over and above the call of normal duties, which best exemplifies Rotary's motto off 'Service Above Self'.

The Awards consist of two levels:

- Five Agency Winners
 - Fire and Rescue New South Wales
 - New South Wales Ambulance
 - New South Wales Rural Fire Service
 - New South Wales State Emergency Service
 - St John Ambulance
- Macarthur First Responder of the Year
 - Volunteer
 - Salaried

The Awards Dinner will be held on Wednesday, 13 March 2024 at Western Suburbs League Club, 10 Old Leumeah Road, Leumeah NSW 2560, starting at 6:30pm. Please book your ticket through the link below.

<https://www.trybooking.com/events/landing/1176439?embed>

For questions about nominations or the awards night, can be sent via email to: macarthurr Rotary clubs@gmail.com or visit the webpage

Scan to access Webpage.

Mental Health Committee

The IngleMinds Team has begun the year with a strong commitment to connecting with the community and making a difference in the lives of others.

Tania, and Stef with Gail, will deliver Women's Health Talks on a monthly basis at Minto Gardens Retirement Village. In addition to this, we are continuing our strong relationship with Minto Gardens to contribute to their activities. It was great to meet up with a BBQ for Australia Day to start the year.

Many people join Rotary to make a difference in the community. A way that our Team is doing this is by connecting with "*The Hidden Homeless*". When housing authorities cannot find homes for individuals and families, they sometimes provide temporary housing in motel type accommodation. Men, women, and children wait for housing options to become available with limited resources. We can help make their arrival a little more welcoming through creations of care packages. We will not meet the recipients or make a big fuss. It is our way of letting them know that they are important to us, and the community cares.

Making these packs rely on donations such as toiletries, thong footwear, sanitary items, and bags to put them in. There is so much we can do in this space that can make a difference during what is a very difficult time in someone's life.

We are planning on running two Mental Health First Aid courses this year. The first one will be on 3 May and 10 May; more details to follow.

Our "*Connecting through Cards*" project has begun with speed as Easter is fast approaching. A dedicated team meet fortnightly, and/or work from home to create personalised greeting cards for those in our community who may be isolated or facing challenges due to relocation or aging.

It is great to see that there will be a Mental Health Community Forum at the Camden Civic Centre organised by the Rotary Club of Camden. Please encourage anyone you know who would like to connect with community resources and see what is available to help.

Some words of wisdom (*with thanks to Caroline*):

*Great minds discuss ideas; average minds discuss events; small minds discuss people.
Learn from the mistakes of others. You can't live long enough to make them all yourself.
Yesterday is history. Tomorrow is mystery. Today is a gift.*

Beth, on behalf IngleMinds.

BETH GODWIN
Mental Health Committee 2023-24

Social Committee

Hi, Hi, Hi! replaced *Ho, Ho, Ho!*

as Ingleburn Rotarians, Friends of Rotary and their partners gathered for the *'Welcome Back'* function on Sunday, 14 January.

This gathering is customarily held just before the first Rotary Meeting of the new year and gives an opportunity for a social catch-up in a relaxed manner as people share their holiday and travel stories, discuss family doings, and plans for the coming year.

This year, the group of 25 enjoyed food and fellowship at Barry and Jenny's home, and there was plenty of help on hand for the setting up, barbequing (*surely a specialty of Rotarians*), and clearing up involved.

At our meeting on 6 February, Jenny's birthday was celebrated, and we had additional help from George!

On **Friday, 8 March** there will be opportunity for socialising at **Sausages at Sunset** in Milton Park from 6:00 pm. These barbecues are always casual and enjoyable and are held at a time when most would have finished their working week. It's a chance to bring the family and unwind in a pleasant setting!

Members and Friends of Rotary will receive more details in the coming weeks and we're looking forward to seeing members and their partners, as well as Friends of Rotary, on 8 March.

The Rotary Club of Ingleburn has several projects and events coming up in March, and these also present opportunities to get together and socialise. The Social Committee is planning further activities to fit around the busy Rotary schedule.

Dates have not yet been set, but these will include – coffee meet ups, a Campbelltown TAFE dinner and /or High Tea, a Nepean Belle cruise, a Parliament House visit, and a movie night.

Watch this space!

DREW PERCIVAL, GAIL TAYLOR & JENNY WOOLFE
Social Committee 2023-24

The Words and Wisdom of Paul Harris

Is it any wonder that a young man of impressionable mind who had found so much good in the midst of evil, who had found so much friendliness in places which might have been barren, who had such reason for faith and confidence in businessmen, was receptive to the idea of a fellowship of business and professional men? Or that once having realised it, he was eager to send it out over the trail he had already blazed and around the world?

Rotary was the child of his imagination, and he coveted for his child every advantage which he had enjoyed.

The Founder of Rotary
