JOKE OF THE WEEK

QUOTE OF THE WEEK

LAST WEEK

Last week we had apologies from David, John A and Keith. In the absence of John A there was no bulletin available.

We have now changed the start time of our upstairs meeting to 6.45pm. There is still the usual banter over dinner which starts at 6pm.

CLUB NEWS

➤ **Presidents Report:**

Grant advised that emails have been received on various Rotary subjects:

- President Elect training.
- Opportunities for involvement in the City to Surf event and the Sydney Marathon.
- Rotary on the move.

The numbers for our partners night on 29th May will be taken next week.

There will be a Naval Cadets annual inspection on Sunday 21st May. We need to meet at the front gate of Holsworthy Army Camp at 8am.

➤ **Treasurers Report:**

Peter advised that all our bank accounts are in good order. He has prepared a cheque to pay for our RYPEN participants.

➤ International and Youth Services:

Margaret has advised that two Casula High students (Ryan and Annabella) will attend to report on their RYPEN weekend at our meeting on 29th May.

We need certificates for some students at Casula High and Liverpool Boys High School.

➤ Vocational Services:

The Parramatta tragic declared that football could not be discussed tonight.

Barry and Ron attended a Miracle Babies function on 15th May where they were presented with certificates for their volunteering efforts.

There will be a Food Drive at Casula Mall Shopping Centre on Thursday 25th May.

The feedback from Casula High's "A Night with the Greeks" was very good. Thanks again to all our volunteers.

Police Officer of the Year - we will support this event with a donation and will organise a table for our club.

➤ Technical services (new position?)

Suresh, our technical officer has spent a lot of time and effort to improve our internet portal. He demonstrated the new system with many new features. Thanks again to Suresh.

We may have a mystery guest speaker for our partners night on Monday 31st July. The subject will be "Artificial Intelligence". It will be compulsory for Noel to attend!

➤ Community Services:

Noel distributed the roster for members and friends to volunteer for our Bunnings BBQ at Crossroads on Saturday 27th May. Debbie advised that the Naval Cadets will be assisting on the day.

Why does fridge have a D in it, but refrigerator doesn't?

Why is a 'W' called a double-u when it is clearly double-v?

NOEL'S NONSENSE

Noel had some new thoughts this week ... Noel is shortly moving to Moorebank but he doesn't know if he will be a "Livo" or a "Moore - on". We all know the answer! His next zinger was that he bought a Mother's Day raffle ticket but didn't know what he would do if her won a mother. Noel also presented Bernard Parker with his old collection of "Parker Pens". Could this be the start of a new Bromance? Finally, at the coffee table Noel regaled all of those present with his various medical treatments in his younger years. It is amazing that Noel is still with us!

PAMPER PACKS

Peter reported that our pamper packs were all delivered and are always well received when distributed through Coonamble Rotary Club. We have been involved with this project for many years! Peter received the below note of thanks from Keith Glover of Coonamble Rotary Club.

“Just to let you know that all packs have been delivered. The last box was taken to Gulargambone Hospital aged care unit yesterday.

They were very well received as usual. I believe that Jackie has sent you a few pics.

The club would like to express their gratitude to you and Pam for your continued support of our local community. Please also express our thanks to your club.”
