## Members Reports

**John Hunt** from the Red Cliffs Rotary Club informed the meeting that the Red Cliffs Club is fundraising for the benefit of the **Days for Girls** project. The event will be a Bonfire and Camp Oven Cook-up at the Hunt estate, 42 Wolfe Road, Red Cliffs at 6pm, 27th August. Bookings and pre payment are essential. Contact John Hunt 0427 150 455, or Ian Cook 0428 165 355

**Dr. John Harrison** needs to locate the Hi-Viz vests before his working bee on the irrigation system for the trees. The last sighting of the vests was at the Golf Day. He will check the BBQ trailer.

**Max Robinson** brought the attention of the meeting to the Rotary Village project in Irymple.

This village is a huge asset for our club. For an entry fee of \$20,000 a residence can be leased for \$150/month. There are 13 one - bedroom units, all supplied with electric stove, washing machine and dryer.

One unit is currently vacant. Anyone who knows of someone looking for this type of accommodation please let Max know..

**Michael Jobe.**

On a recent overseas trip, Michael attended the Rotary Club of Golden Fort, B.C. Canada. This club has 20 members and meets fortnightly. The major fund raiser of this club is an annual internet auction sale. Some food for thought for this club. Michael presented a Banner from that Rotary Club.

Michael also brought to our attention the 10,000 steps challenge. The list of names to be a participant in that challenge will be circulated again because some members did not get the chance to enter their names last week.

## President's Report

**Jason Gowers**

**President Jason** reported on the following topics;

**NYSF candidate**, Peter Callipari, was successful in his interviews. So from here it is onwards and upwards for Peter.

**Sunraysia Rejuvenation Project.** There is a project that is being run by Sunraysia Produce, Benetook Ave, to provide some land for the Burundian community to grow traditional crops.

This is a project where we may be able to have some input, get our hands dirty, and help those who are looking to transition into Australian culture, while at the same time giving them the ability to live their own lives. We need to have a discussion as to what level of involvement we want to have.

**Fishers Supermarket Scam.** President Jason had a phone call from the Merbein Police. The police wanted to know if the Irymple Rotary Club had any involvement with a \$10 Fishers Voucher. It seems that these vouchers are counterfeit, and the Irymple Rotary Club name has been used to promote them. None of the members has any knowledge of such involvement.

President Jason apologised for not having two items listed on the previous Action Plan.

Fellowship and fitness has been added to work with the bike riding team, walkers, breakfast friends, swimmers etc.

International Women's Day Breakfast has been added to the projects agenda.

A reminder that an email will be sent to directors and team members this week asking for an overview of their goals.

## Rotary Spot Bob Shurey

Bob Shurey gave us a report of his recent flight to Melbourne. The bad news is that the flight was as a result of a wonky heart. The good news is that the problem did not need to be fixed by surgery, just medication.

Ed. note. I am sure Sandra will make sure that Bob takes his medicine.

## SUPER SUE AND ZOOM

**Sergeant-at-Arms**

**Graeme Jilbert**

The usual facts were not permitted to get in the way of a good story, or fine.

The usual fines were dished out to the unusual members.

The Sergeant finished off his session with this story.

Two women were playing golf. One teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole. The ball hit one of the men.

He immediately clasped his hands together at his groin, fell to the ground and proceeded to roll around in agony.

The woman rushed down to the man and immediately began to apologise.

"Please allow me to help, I'm a Physical Therapist and I know I could relieve your pain if you would allow me", she told him.

"Oh no, I'll be all right. I'll be fine in a few minutes" the man replied.

He was in obvious agony, lying in the foetal position, still clasping his hands there at his groin. At her persistence, however, he allowed her to help.

She gently took his hands away and laid them to his side, loosened his pants and put her hands inside.

She administered tender and artful massage for several long moments and asked, "How does that feel?"

He replied, "It feels great, but I still think my thumb is broken"
