Please forward all inserts no later than
7pm Sunday night

Dear Members

Our team was there again today (1st Sunday of the month every month) to cook bacon & eggs at Sturt Reserve for Cars n Coffee. It was a beautiful sunny morning and many cars were on display, which meant we were kept busy providing breakfasts for their owners and spectators.

Last week, instead of our regular meeting, we attended a Combined Services Clubs Annual Dinner at the RSL, this year hosted by the Lions Club of Murray Bridge. 6 Clubs were represented and Mobilong had a large number of members and their partners attend. It was good to hear from special guest Mayor Wayne Thorley who talked about the Council's Strategic Plan for Murray Bridge. It is also heartening to know that we as services clubs can all work together – as in the Lerwin Nursing Home art project which will come into fruition next year.

This coming Wednesday we will have special guest Jane Intini (from MB News) who will introduce an exciting fund raising event for our Club to steer, and with Jane's expertise.

Please come along on Wednesday to hear Jane.

We have a Board meeting to follow.

Until then
Cheers
Sally

Please see a Rotary member if you would like to purchase one

Thank you to those who volunteered last Wednesday & Friday, selling raffle tickets at Drakes

We all now know what Simon Podger is worth !!

A whole \$46.50

SOMETHING TO THINK ABOUT

.....

New changes have just been made in SA with some Insurance Companies in regards to now letting you choose your own Crash Repairer

Unless you **tick the box** and pay an **added premium (not the basic)**, you **will not** be allowed to choose your own repairer.

You **will be** directed to have your repairs done with the repairer your Ins Company chooses

PLEASE read your PDS when your renewal / policy anniversary comes due and if you want to choose your own crash repairer, (with certain Ins Co's) you will need to act on it

If you would like further details, you are more than welcome to give me a call or contact your Ins Co or Broker - Sharon Pratt

NOVEMBER CARS & COFFEE

Thanks Paul & Sally, Sharon & Warren, Barry #2 and Simon P for assisting this morning

PICTURES FROM LAST WEEK'S COMBINED SERVICE CLUB MEEETING

Black Hole Evidence

X-Ray Source
Cygnus X-1

- Star HD 226868 is a 30 solar mass blue giant orbited by a 15 solar mass invisible companion (6 day orbit)
- Gas from the star is pulled into an accretion disk which produces X-Rays as it spirals into the event horizon
- Jets produce a radio source

Magnetar

- Neutron Star with exceptionally high Magnetic Field (10^{11} Tesla)
- Normal Neutron Star - 10^8 Tesla. Earth - 60μ Tesla
- Spin down rapidly because of magnetic braking

Neutron Star Interior

- outer crust 0.3-0.5 km
ions, electrons
- inner crust 1-2 km
electrons, neutrons, nuclei
- outer core - 9 km
neutron-proton Fermi liquid
few % electron Fermi gas
- inner core 0-3 km
quark gluon plasma

ROTARY CLUB OF MOBILONG INTERNATIONAL PROJECT

Can you help restore sight to people in our neighbouring Pacific nations?

Vision of Islands is a non-profit volunteer eye surgical and clinical team, providing free-of-charge cataract removal for South Pacific Islanders (of all ages) who would otherwise be blind. To date the team, led by ophthalmologist Dr John Willoughby OAM, has worked in Tonga and Tuvalu.

The Rotary Club of Mobilong seeks financial support from clubs in District 9510 to allow Dr Willoughby and his team to continue and extend this work.

Vision of Islands operates under the direction of the Ministry of Health of each participating country. Their medical outreach team trains the local medical staff in patient care. They provide medical and teaching equipment and train local staff in their use, as well as extend specialist eye services to remote areas where people lack specialist services because of remoteness.

The team provides all the equipment, expendables and teaching materials (with backup). They remove all their refuse, leaving the island as clean or cleaner than on arrival

Their goal is to include Registrar trainees from Australasia in the program to expose them to aspects of humanitarian care where they will also see extreme need and advanced pathology. They also aim to take other professionals who may wish to serve or study topics covering several island nations.

Their first volunteer trip back to the Pacific Islands since the Covid-19 Pandemic is now underway. On this trip Dr Willoughby and his team will treat hundreds of patients in the island nation of Tuvalu.

Dr Willoughby provides his surgical skills free of charge. But there are other huge ongoing overheads like travel costs, medical equipment, transport and mobile facilities to reach remote clinics.

CAN YOU HELP ?

Your club will be acknowledged by Vision of Islands as a Supporting Donor.

Funding support should be transferred to the following account:

Rotary Club of Mobilong Inc

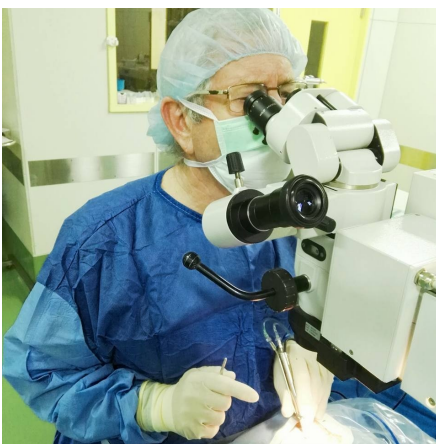

BSB: 015 665

Acc# 203 729 707

Please include the name of your club and Vision of Islands in the reference.

We ask clubs to please consider a donation of \$500.00 but any amount will be received gratefully.

The Rotary Club of Mobilong will also be applying for a Global Grant to assist Dr Willoughby in his on-going work restoring sight.

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ** **FIRST.** The development of acquaintance as an opportunity for service
- ** **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- ** **THIRD.** The application of the ideal of service in each Rotarian's personal, business and community life
- ** **FOURTH.** The advancement of international understanding, goodwill and peace through a world of business and professional persons united in the ideal of service
