The Rotary Club of Mobilong meets every Wednesday at the RSL, Ross Rd, MB East at 6.00pm for a 6.30 pm start.

## LAST WEEK

## "Breakfast Meeting"

Wishing you all a Year of Happiness and Well-being

I do hope you have all had a great holiday and that you have renewed vigour to join in with the exciting projects we are working on in 2024.

Last Wednesday at 7.00 am a small group of us attended our first meeting – traditionally a breakfast meeting at Sturt Reserve. It does seem surreal to me that this time last year Sturt Reserve was closed due to the Flood.

Unexpectedly we had a guest speaker join us as President Gordon from the MB Club had referred Andy O Donohue (pictured above) from Blaze Aid who spoke to us about the fencing contract from Mypolonga to Monteith where volunteers are replacing fences lost or damaged by the Flood. Not surprisingly, it is hard to fill the quota of 80 volunteers per week to help out and I appeal to anyone who can offer their time to this worthy cause. For me, I can offer to help prepare & cook food for the volunteers. There is always some way of helping. The number to call is: **0477 488 841**.

Whilst I was away on holidays, our committed caterers cooked a BBQ for the Rural City of Murray Bridge staff breakup on 22 December. Thank you indeed for this huge effort at a time when there are many Christmas functions conflicting with other events.

And thank you to Bronwyn for organising volunteers from Mobilong RC to work with volunteers from Murray Bridge RC to help out with fencing at Monarto Safari Park.

We also had Cars n Coffee last Sunday (I was back for this one). Thank you to all who turned up to help.

#### Saturday 20 January 2024

Please attend this event being held at the Mypolonga Institute to enjoy a social gathering of our Club. This is replacing our Christmas party (cancelled due to bad weather). It will now have an Australian/ International theme, so please come in an outfit of your choice and you might even win a prize. See details inside this Bulletin. And please let Sharon know by COB tomorrow as numbers are required for catering purposes.

At our meeting next Wednesday (usual time at the RSL) Bronwyn Heard will speak to us about the project she is leading – Bridge Bricks Expo 2024, so do come along. We will have Board meeting to follow.

I look forward to seeing you there.

Until then Cheers Sally

### CHRISTMAS GREETING FROM SWITZERLAND

Nadine was our Long Term Youth exchange in 2007-2008 and has always kept in touch

She sent this to Joy on Christmas Eve

Dear Joy,

We wish you a Merry Christmas and a joyful time with your loved ones. All the best for the coming year. May 2024 be filled with health, gratitude, beautiful moments, and joy. Enclosed you will find our Christmas wishes with a photo of us.

I am very sorry that we have been so quiet in the past. We had a very difficult situation, and I will explain it to you.

In the beginning we were very happy to hear the good news about the pregnancy. But in autumn last year we were told that our baby boy has a heart defect. This information led to very unrelaxed months until the birth, but we stayed positive knowing that it's something that can be "fixed" with surgeries. At the end of January Elia was born. In addition to the heart defect there was also diagnosed an oesophageal defect. So, in his first week Elia had already two major surgeries.

We knew from the beginning that he is a fighter, and he really is. He recovered very well and after one month in hospital we could finally allowed to go home. He developed very well, and we enjoyed our family time a lot. In November he had a second heart surgery. All went well and we are very grateful for all the medical possibilities that we have. There shouldn't be any more surgeries so we can now enjoy a quieter year and experience adventures.

We thank you for all your emails and good wishes and thoughts

Feel our hugs and love.

Nadine & Immanuel Lüscher mit Elia

### **ROTARY CLUB OF MOBILONG INTERNATIONAL PROJECT**

### Can you help restore sight to people in our neighbouring Pacific nations?

Vision of Islands is a non-profit volunteer eye surgical and clinical team, providing free-of-charge cataract removal for South Pacific Islanders (of all ages) who would otherwise be blind. To date the team, led by ophthalmologist Dr John Willoughby OAM, has worked in Tonga and Tuvalu.

## The Rotary Club of Mobilong seeks financial support from clubs in District 9510 to allow Dr Willoughby and his team to continue and extend this work.

Vision of Islands operates under the direction of the Ministry of Health of each participating country. Their medical outreach team trains the local medical staff in patient care. They provide medical and teaching equipment and train local staff in their use, as well as extend specialist eye services to remote areas where people lack specialist services because of remoteness.

The team provides all the equipment, expendables and teaching materials (with backup). They remove all their refuse, leaving the island as clean or cleaner than on arrival

Their goal is to include Registrar trainees from Australasia in the program to expose them to aspects of humanitarian care where they will also see extreme need and advanced pathology. They also aim to take other professionals who may wish to serve or study topics covering several island nations.

Their first volunteer trip back to the Pacific Islands since the Covid-19 Pandemic is now underway. On this trip Dr Willoughby and his team will treat hundreds of patients in the island nation of Tuvalu.

Dr Willoughby provides his surgical skills free of charge. But there are other huge ongoing overheads like travel costs, medical equipment, transport and mobile facilities to reach remote clinics.

### CAN YOU HELP ?

Your club will be acknowledged by Vision of Islands as a Supporting Donor.

Funding support should be transferred to the following account:

Rotary Club of Mobilong Inc BSB: 015 665 Acc# 203 729 707

Please include the name of your club and Vision of Islands in the reference.

We ask clubs to please consider a donation of \$500.00 but any amount will be received gratefully.

The Rotary Club of Mobilong will also be applying for a Global Grant to assist Dr Willoughby in his on-going work restoring sight.
