Dear Members

As I sit to write this report, it is 23 degrees outside and a beautiful sunny Spring day, and it is Father's Day.

This morning we cooked breakfast at Sturt Reserve for the monthly event 'Cars n Coffee' where owners show off their prestigious old and modern vehicles. Being Father's Day, it was a bumper day with over 260 entries, so we were kept very busy. A big thankyou to those Dads (& Mums) who gave up their morning today to serve the participants.

At our last meeting members were invited to have their say. This led to a lively discussion with input from our members, across a wide range of subjects. Some of the great ideas put forward will be taken to our next Board meeting. Personally, I found the session to be very satisfying knowing how members care and are so committed to our Club. Our Club is strong and we should all be proud.

In 2 weeks' time we will be catering at the Pedal Prix with our BBQ trailer and our newly re-furbished donut caravan. It is a 2 day event on the weekend of the 16<sup>th</sup> and 17<sup>th</sup> September, and we need helpers over that time period. If you can help, and if you know of anyone outside our Club who can help, please let Sharon know on 0408 808 229.

At our next meeting on Wednesday 6 September, our guest speaker will be Lhionara (Tammi) Baker talking about "My Medical Assistance Dog", her dog which will be accompanying her. This should be very interesting, as to my knowledge it will be the first time we will have an animal as a guest.

I hope I will see you on Wednesday.

Until then

Cheers  
Sally

## MONGOLIA PLAYGROUND UPDATE

Jill informed us last week that our shipping container of playground equipment etc has now arrived in Ulaanbaatar - Mongolia.

Once taxes have been paid, it can then be appropriately located and unpacked

*Fact - when Googling how to spell Ulaanbaatar, I now know that it is the coldest capital city in the world*

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- \*\* **FIRST.** The development of acquaintance as an opportunity for service
- \*\* **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- \*\* **THIRD.** The application of the ideal of service in each Rotarian's personal, business and community life
- \*\* **FOURTH.** The advancement of international understanding, goodwill and peace through a world of business and professional persons united in the ideal of service
