Our Vision

The Rotary Club of Norwood Inc. is an organization of business, professional, and community leaders who come together through commitment and fellowship to create opportunities and a better future for generations who follow.

Our Mission

It is our mission to embrace the ideals of Rotary International, contributing to a better community and a better world through significant service while providing extraordinary opportunities for networking, fellowship, friendship and personal growth.

Why Become a Member?

Participation as an active member of the Rotary Club presents a number of advantages through an effective business partnership that includes:

- participation in a complete, developed system capable of assessing and responding to a diverse range of needs within the community;
- increased awareness within the community through association with Rotary and the many programs that are supported by Rotary clubs across Adelaide;
- enhanced opportunities to meet with other professionals;
- immediate access to the Rotary charitable network;
- participation opportunities with Rotary hands-on projects; and
- membership of an organization dedicated to assisting and supporting community needs and activities.

Rotary Basics

Rotary International, the world's first service club organization, is made up of over 32,000 clubs in more than 208 countries and geographical areas. Its members form a global network of business and professional leaders who volunteer their time and talents to serve their communities and the world.

Rotary's motto, '**Service Above Self**', exemplifies the humanitarian spirit of the organization's more than 1.2 million members. Strong fellowship among Rotarians and meaningful community and international service projects characterize Rotary worldwide.

You might visit other States or Countries in future years. Do so knowing you can visit any Club at any time, and be welcomed by a family of Rotarians from that District. You're gaining an immediate network of 1.2 million friends, spread the world over.

Fellowship & Networking

Beyond Community service, Rotary activities include fellowship, social activities and the opportunity to form strong, lifelong friendships. For members in the workforce, Networking amongst member businesses is highly encouraged, and amongst members of other Clubs.

The Organisation of Rotary

Rotary is essentially a grassroots organisation, with most of its service efforts being carried out at the club level. The district and international structure is designed to support the clubs and help them provide more service in their communities and abroad.

- **Clubs:** Rotarians are members of Rotary clubs, which belong to the global association Rotary International (RI). Each club elects its own officers and enjoys considerable autonomy within the framework of Rotary's constitution and bylaws.
- **Districts:** Clubs are grouped into 530 RI districts, each led by a District Governor, who is an officer of RI. The district administration, including assistant governors and various committees, guides and supports the clubs.
- **RI Board:** The 19-member Rotary International (RI) Board of Directors, which includes the RI President and President-elect, meets quarterly to establish policies. Traditionally, the RI President, who is elected annually, develops a theme and emphasis for the year.
- **The Secretariat:** Rotary International is headquartered in the Chicago suburb of Evanston, Illinois, USA, with seven international offices, including Sydney, Australia.

Responsibilities of Club Membership

The club is the cornerstone of Rotary, where the most meaningful work is carried out.

All effective Rotary clubs are responsible for four key elements:

1. sustaining or increasing their membership base;
2. participating in service projects that benefit their community and those in other countries;
3. supporting The Rotary Foundation financially and through program participation; and
4. developing leaders capable of serving in Rotary beyond the club level.

What Rotarians get out of Rotary depends largely on what they put into it.

Many membership requirements are designed to help members more fully participate in and enjoy their Rotary experience.

Rotary's Guiding Principles

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- the development of acquaintance as an opportunity for service;
- high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- the application of the ideal of service in each Rotarian's personal, business, and community life; and
- the advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

History

The Rotary Club of Norwood has been in existence since 1954 and has a proud history of assisting worthwhile community and international projects within the City of Norwood and around the world
