Rural Medical Scholarship

Possibility of financing a Rural Medical Scholarship which is a one-year investment for a student doing their medical degree taking on their Rural Placement. We would seek a liaison with another D9510 club in the Spencer Gulf region. Further details will be supplied later.

August – Membership Month

August is Membership and New Club Development Month, a time to recognize our members and the incredible work they do locally and globally. In 2021, many Rotarians around the world are working together to curb the pandemic through vaccination drives.

Membership Month is a great time to introduce friends and colleagues to the family of Rotary.

World President Shekhar Mehta asks us all to Each One Bring One – Each Rotarian is to bring someone else to a meeting, preferably a potential Rotarian.

Emphasis is on Diversity, Equity and Inclusion – especially of young people and women.

NEXT WEEK

Will be the trial of a Zoom meeting to any member who wants to login.

Guest Speaker - Aaron Stobie

Chairman Brian Kretschmer introduced Aaron Stobie. Captain Aaron Stobie has been a Salvation Army Officer for 13 years and has served with the Salvos in Victoria, Tasmania, Western Australia & South Australia. He is currently the Corps Officer & Team Leader at 'North East Salvos' which is a new initiative in the North East region of Adelaide. He is passionate about connecting with people, creating partnerships and building healthy communities.

Creating Partnerships

Aaron highlighted the advantages of a close, active relationship with the local council. He described initiatives and positive outcomes in his Club's work.

He also gave examples from his Club where partnerships with a local Church, car dealership and primary School have resulted in the formation of teams leading to benefits for all – the Club, the organisation and the community.

Teams have

- broader and deeper effectiveness
- can reassess and modify progress
- give perspective
- have accountability

Aaron gave some strategies on building on current connections and developing new avenues.

He also highlighted considerations for our community reach.

- Could the Club offer support for a local project through the council?
- Does the community know what we as a Club do?

PDG Arthur Manser said it was very inspiring to hear Aaron speak of strategies for developing effective partnerships.

John Gallehawk thanked Aaron Stobie, referring to the power of collective enthusiasm in partnerships.

Members Minutes

- **David Heilbronn** gave a glowing Shed Report that included scrap metal sales
- Unfortunately the Food and Drink department at the Shed still cannot operate in this weather under current Covid restrictions. We look forward to fine weather when our patrons can be seated outside.
- **John George** announced the Allkids Project has been approved as a RAWCS project
John thanked Secretary Wendy Gaborit for her work – also PDG Tim Klar and Jenny Neale (partner of DG Jeff Neale) for their invaluable support for this project. More background on Allkids next week

Masks

Everyone is mindful of the requirement to wear a mask on entering a shared space eg meetings.
It is so easy to leave one's mask at home by mistake.
From now on we will have a box of masks at meetings. (Expect to pay a fine to cover the cost.)

Also a reminder about disposable masks..... Cut the straps and dispose of with care. Protect inquisitive wildlife.

Almoner

Keith Shaw is on the road to recovery – best wishes from all at the Club
Keith
Past member **Kevin Robinson** is due to leave hospital shortly

Sergeant's Session

Sergeant John Bested ran a spirited fines session. It was great to hear of the Bulletin Recycle Articles being quoted.

Anniversaries

19 August George Dimitriadis

20 August John Reynolds

Rotary Area of Focus – The Environment

Local Recycling and Waste Management

Last week we looked at polystyrene. Also to note instructions on packaging.

REDcycle recycling

A trip to your local supermarket should reveal the soft plastics container – with the **REDcycle** label

This is the spot for soft plastics. They are usually clear... but you may be surprised that some silver coloured packaging is also – plastic.

This is easily checked by the labelling... Look for **Return to store**.

Recycled Plastic Furniture and Goods

It is noted that a Buddy Bench is being manufactured from recycled plastic.

Also trolleys and baskets made partly from recycled plastic are appearing in a local supermarket.

More next week.
