Members Minutes

1 Shed Report – David Heilbronn – due to forecast rain, Covid Rules and liability if not followed.
The Café will still be shut next Saturday

2. Pam Vaughton - Clubrunner – Members are still working on this.

From the App store search for the blue Clubrunner App and download. When first opened it will ask for your User Name. That will be your first name and last name with capitals but no spaces and the number 12651 (no spaces).

Then add a password – record it somewhere. Submit. The next time you open the app it will ask you for your details, but after that don't log out and you should be set to go.

We'll have a follow up session on 14 September.

Adelaide University Rotaract Club - Cultural Night Sat 18 September

We are informing members of this event to support our friends in Rotaract.
It would be great if you could come along.

Sergeant's Session

The Treasurer was smiling tonight as at least two folk ran out of coin and proffered notes as the fines were issued. Fathers were fined for Fathers Day and Port supporters were so jubilant from last week's win they scored a double fine from Sergeant John Bested!

African region marks one year since being certified wild polio-free

Together, we've made tremendous progress in the fight to end polio. In August 2020, the World Health Organization's African region was certified free of wild poliovirus — an incredible milestone that was made possible by the leadership, dedication, and support of countless Rotary members and health workers, our partners in the Global Polio Eradication Initiative (GPEI), and African region leaders.

The eradication of wild polio in the African region shows that total wild polio eradication is possible. Learn more about this historic achievement and Rotary's commitment to **keeping Africa free of wild poliovirus and ending polio worldwide.**

An article in Foreign Affairs features [the tireless work of female health workers in Pakistan](#) who have continued going door-to-door to vaccinate children against polio despite the COVID-19 outbreak and other challenges. Rotary member and polio eradication organizer Tayyaba Gul describes the vital role women play in reaching local households to overcome vaccine hesitancy and deliver other health services alongside the polio drops. The story notes how this network of dedicated female health workers can greatly support the rollout of COVID-19 vaccinations in their communities.

Thanks to our generous members and donors, we reached our 2020-21 PolioPlus fundraising goal. With donations matched 2-to-1 by the Bill & Melinda Gates Foundation, every contribution goes even further toward ending this paralyzing disease for good.
