Guest Speakers

Vice President Arthur announced that, at the very last minute, word had arrived the Guest Speaker was unable to attend for medical reasons. So Arthur suggested a few members might impart some Rotary memories. It was proven our members are never lost for words at short notice!

Peter recounted some amusing historical incidents.

..... quickly followed by a much newer member Helen who spoke of the warm welcome she has received.

Romaine told us of the complex arrangements that go into Music Night.

John told us how it was when he was the youngest member of our Club. He also spoke of the comraderie and fun enjoyed during projects such as the Jumble Sale.

Treasurer John says it's much easier to be Treasurer in 2022. He clearly enjoys the job.

Lastly Greg shared some memorable moments from his early membership days. Apparently Board Meetings and catering arrangements were quite different from the ones of today.

Everyone enjoyed this very well attended meeting.

#OffTheGrid**

Dear ROTARY,

Every year, the 20th of June is designated World Refugee Day, a day to recognise and support the millions of people forced to flee their homelands due to conflict, climate disaster and persecution. Shelterbox has a strong record of supporting refugees around the globe with the provision of emergency shelter and essential items.

Families forced to flee their homes are left vulnerable, robbed of comfort, light and electricity. **#OffTheGrid challenges you to camp out on the weekend before World Refugee Day to understand what it's like to have no home, no electricity and limited food.**

SIGN UP NOW

The money you raise by taking part in #OffTheGrid will make a real difference to families in crisis. Shelter Kits, tents, cooking equipment solar lights, tools, rope and water purification are just some of the things your donations can provide.

You have the power to help, so thank you for rising to the challenge and for supporting families in need. With your help, we can build a world where no family goes without shelter when disaster strikes.

Jack's Farm Visit – May 2022

Peterborough town visit

In May twelve Rotarians and friends spent time in the mid-north at Jack's farm. This year's project began on the Friday with a Vocational visit to the Peterborough Historic Print Shop. This is a most interesting tour of a unique museum. Special thanks to volunteer Mary Zimmerman for arranging a special tour for us. We were privileged to have a poster printed on a mechanical machine.

Tree work at the Farm

Four years ago Rotarians and friends planted 200 trees at Jack's Farm after a freak tornado tore down over a hundred 60 year-old pines on the property in 2016. The 100 new trees in this section have done well but tall soft grass had grown and this needed to be trimmed for easy access to the trees.

The day was cold but clear so with line-trimmers we were able to work quickly. Other folk trimmed the lower branches of the gum trees to encourage upright growth.

My sister Marie was in charge of catering as the garage was converted into a dining room.

Our thanks to all the tree workers and food brigade.

We finished the day with a barbecue and campfire.

Special thanks to all the Rotary Club of St Peters members and friends who attended.
