

Environmental Sustainability Grants

2024-25

The RCSP is offering grants to individuals, community groups, schools or businesses, preferably in the local area, to assist them undertake actions that will make a positive difference to the environment.

Grants are normally to a maximum of \$1000, however projects with great merit may attract more.

Selection of awardees will be based on:

- the environmental **impact** the project will have
- the project's **simplicity** and its **applicability** to other groups
- the ability of the project to be **sustained** without ongoing financial support from the RCSP
- evidence that any previously RCSP funded project has been maintained, where appropriate

Application to be made before October 31st with the grant period running until July 2025.
