Report of Meeting 3330 held at the Kensington Hotel

Sergeant Keith Payne called the meeting to order and **Sue Bardy** gave the Invocation and Toast.

President Wendy Gaborit welcomed all present, although attendance numbers were down, with many members being on holiday. Glenda Hedley attended the meeting for a second week. She and her late husband Rodger were both Rotarians for many years in several Clubs and held official positions in those Clubs and on former District 9520 committees. Glenda is currently an Honorary member of the RC Norwood.

President's Announcements

Wendy reported on the Rotary Regional Governance Pilot project.

Rotary International is establishing a regional governance pilot to address membership, public image, communication, and fundraising challenges to ensure our organisation thrives long into the future.

Australia, New Zealand, and the Pacific Islands are having the opportunity to be one of a small number of regions across the globe to pilot this new governance structure, created by RI's Shaping Rotary's Future Committee (SRF).

Guest Speaker: Dennis Henschke

In the absence of the designated guest speaker, St Peters Rotarian and former PDG Dennis Henschke gave an interesting talk at short notice.

Dennis recalled the FAIM (Fourth Avenue in Motion) work trips to Nepal undertaken by St Peters Rotarians.

The intention of these the work trips was to build facilities that would improve the lifestyle of the local population, including the provision of clean drinking water. On several visits, the work group was led by late St Peters Rotarian and builder Peter Slattery. Other members included Peter Hewitt, Bruce Ballantyne and the late John Seeliger. The members of the RC Waikerie and community members were also involved.

Dennis said it was interesting to be able to interact with the local Buddhist Community. He concluded by saying 'You never know where an experience through Rotary will take you'.

FAIM projects undertaken by St Peters Rotarians –

Rotary Year 1996 / 1997 - President - David Heilbronn

The Club's first RAWCS / FAIM project to Nepal to work on medical building projects and included plumbing, electrical wiring, window fixing and inbuilt furniture.

Rotary Year 2011 / 2012 - President - David Birkedale

New Lifeline Centre, Nepal.

Rotary Year 2014 / 2015 - President - Richard Woods

Tukee Classroom, Nepal.

From Wikipedia –

Banepa is a municipality and historical town in a valley situated at about 1,500 m above sea level in central Nepal which is at about 25 kilometres east from Kathmandu. At the time of the 2011 Nepal census, it has a population of 67,690.

The main attraction of Banepa is the temple of Chandeshwori, located approximately 1 km northeast of the town along the Rudramati River. The Dhaneshwor Temple is 1 KM south of the town. Banepa is also known for its eight different temples of Lord Ganesh, Narayanthan (the temple of Lord Narayan), Bhimshenthnan (the temple of Lord Bhimshen) and eight different ponds.

Punyamata River, which was the major source of drinking water, irrigation and many other activities, is being polluted day by day. The bank of Punyamata River has been a place where solid wastage has been disposed. The sewage has been connected directly to the river without any treatment and in an unmanaged way has adversely affected the river water.
