- AllKids** – “The International Committee is proposing a donation of \$10,000 to the AllKids Dental Program. The committee is seeking members endorsement of an exgratia payment to meet the proposed donation.”

Guest Speaker One - Robin Kelly

The Linde Community Garden concept began in 2009 with a Public Forum. With the support of the Council and Steven Marshall the groundwork was laid and in 2011 the timber edging for the plots was installed.

The late David Webb was instrumental in the establishment of the garden.

The Mud Hut was constructed by members with help from a grant from the Rotary Club of St Peters.

In March, 2015 the Garden Shed was opened by the late Richard Woods.

(President of the RC of St Peters 2014-5)

Recently the garden has received grants from our Club for the systematic replacement of the original wooden garden edging with plastic edging that is weather-proof.

Guest Speaker Two – Margaret Nippert

Margaret is Chair of the Linde Community Garden.

The Garden flourishes with 71 members – 40 memberships with members' ages ranging from 6 months to 92 years.

All share a connection with nature. The garden is organic – i.e. no pesticides or weedicides are used. Compost is made and stored on site. Thursday is Garden Day when members tend their plots.

There are work spaces and shared spaces.

Recently hot and cold running water in a sink was installed.

Produce is shared. This is particularly useful with herbs.

Recently perennial plants such as rhubarb, asparagus and globe artichokes were established.

Experimental native food plantings such as finger lime, muntrees and black sapole are underway.

Future plans include upgrading the compost bins and developing and designing a small shadehouse and plant nursery. Also signage on the bars would help and a digital lock is needed on the entrance gate.

Garden Membership Enquiries are welcome.

Blokes' Kitchen October 2024

In this session, our Blokes made fantastic scones, Eccles cakes and extremely tasty, and yet healthy(!?), fruit balls. Using failsafe recipes, everyone appeared to have a great time, and the results were excellent. Our very sharp cooks' knives made it much easier to work and knife skills were impressive.

The scones, jam and cream served for Morning Tea went down a treat, and all the jam and cream were rapidly used up,

Proud Blokes with their scones

No bake fruit balls

Our classes finish in November, but if you know of anyone who may be interested in starting next year, they should contact Chris Dawson 0432920964 or 1chris.dawson@gmail.com.
