Report of Meeting 3342 held at King Pin Bowling

Rotarian Julia Verran welcomed eighteen players and guests to King Pin Bowling at Norwood.

After a quick reconnoitre of the building and set-up, teams were allocated.

The hardest part of the night was remembering one's shoe size for the compulsory footwear!

The bowling was great fun. Most players had not done so for many years.

The balls were certainly heavier than we remembered but we soon learned by the numbers printed on the ball face which ball to use.

Dennis delivered excellent shots.
Everyone was encouraging even when gutter rolls were plentiful.

The electronic scoreboard was new to most of us reminding us by name of our turn and scores.

David and then Angela showed us how it's done.

At the end of the session we enjoyed dinner together.

Special thanks to Julia who organised this event so effectively.

We all had a great time.

A separate note for all RC of St Peters members re Garden Party arrangements will be sent.

Dear John and team,

I pray this finds you well.

I wanted to specifically thank you today for your \$5,000 donation that goes immediately to life saving surgery.

I have just finished watching the amazing story of 18month old Elijah, a patient on the Africa Mercy who was severely malnourished and needed our team's intervention for him to gain weight so he could have surgery. It took a group of dedicated professionals to volunteer together and work over months to bring Elijah to a healthy weight. They were then able to operate as this beautiful young boy had cataracts. He now has a promising future he will see. These stories are continuing to be possible because we all work together to accomplish amazing results.

Thanks so much for being a part of that journey and the Mercy Ships family. Elijah and Justinah represent so many who have been given hope.

God bless,

Pat
