Regional Summit – 16th-18th May

As a member of our Rotary community, you're invited to join a District event like no other previously experienced. Two Districts (9510 and 9800) across parts of four states/territories of Australia - South Australia, New South Wales, Victoria and Northern Territory, have combined forces to develop a new concept in membership engagement.

President Wendy is inviting people to accompany her and attend the Summit.

1. **Ignite Inspiration:** Hear from dynamic speakers who are making a difference in our communities.
2. **Foster Collaboration:** Network with fellow Rotarians from Districts 9800 & 9510, exchange ideas, and create connections that lead to meaningful partnerships.
3. **Enhance Skills:** Participate in workshops and breakout sessions tailored to develop leadership, innovation, and community service strategies.

What's in it for our club?

- 1) **Club Empowerment:** Discover actionable insights to community projects and bring back to your club to energize your club members.
- 2) **Networking Opportunities:** Connect with like-minded individuals who share your passion for service above self

Meeting Program – Wine Tasting

Chris Dawson conducted the tasting session.

There were 5 bottles with hidden labels and participants were able to sample each one and assess the type, the grape variety and the region where the grapes were grown.

It seems that even the Club's wine connoisseurs had some difficult decisions to make.

Romaine Dawson was the most successful.

Identify the wine variety and any other info you can glean (e.g. country, region) *Romaine*

Your label description for wine C.

This white wine deserves accolades. It is on the nose with an overwhelming taste of half peach, blackcurrant with a full body refreshed by pure hills water. The vineyards on the glass as a lower clings to his presence. Highly recommended.

Patricia Bozin also did well.

It was certainly a fun night.
