President's Announcements

Wendy Gaborit

- **From RI President – Stephanie Urchick**

“What a marvellous evening at the Commonwealth Day Reception at Marlborough House, London, where I had the opportunity to meet Their Majesties King Charles and Queen Camilla.

We spoke about Rotary's missions in basic education and literacy, and about protecting and preserving the environment, particularly with projects involving safeguarding and restoring mangrove forests.

Many thanks to Judith Diment, Rotary Representative to the Commonwealth, for arranging all the important events during Commonwealth Week.”

Presidents Elect Training – Saturday 29 March

- On the weekend District 9510 held the Presidents Elect Training (PELDS) and District Assembly at Observatory 23. There were 82 attendees at PELDS from Clubs across the District. (195 at District Assembly)
- One theme was Presidents as coaches
- The Course was designed by Rotary South Pacific to be used across all Clubs in the Regionalisation Pilot
- Of interest was a Unit on Brain Theory. Folk approach issues in different ways and it is good to recognise and value each person's strengths as we work together in Rotary
- Wendy is hosting an Engage with Rotary Day at her home on Sunday 4 May
- Club Assembly 10 June
Members are asked to Save the Date.
Several topics will be discussed around aspects of our Club
Details to follow
- Changeover – 29 June at Mt Osmond Golf Club – will be a celebration of all we do. Wendy will be President 25-26
- Our new Volunteer Banner was on display and will be featured at the Shed

Guest Speaker: Rob McClennan Walk for Respect - Say No to Domestic Violence

Rob is a member of the RC of Adelaide Light.
He began by telling us how the Club grew their membership from 17 to 31.

The Club now has a significant number of members under 50.

Rob also works at Coast FM and is happy to share Rotary news.

Rob spoke about the planned walk “**Walk for Respect - Say No to Domestic Violence**” on Saturday 11 October 2025.

This is not a protest walk.

The purpose is to highlight the combined work of individual Rotary Clubs in Saying No to Domestic Violence.

It will be held in the City.

This will be a District sponsored Event and Clubs are asked to contribute \$500 towards costs. There are various agencies, like The Zahra Foundation giving wonderful support in this area. We need to do more than walk.

Wendy is on the organising Committee. Several suggestions of how our Club can promote this cause were discussed. Please Save the Date and join us on Saturday 11 October.

2025 Walk for Respect

**We'd Love Your Club's Support
leading up to**

Saturday 11 October 2025

- We invite Your Rotary Club to be involved in this year's program to:-
- raise awareness of varying forms of Domestic Violence •
 - educate the community • reduce DV incidents • foster harmony •
 - connect with support services & organisations working in this space •

We're part of the National Campaign. Adelaide's Walk has grown to attract the highest volume of participants of any walk in Australia! This year, we'd like to see 2,000 people cathartically walking King William St.

2025 will Expand and offer some New options!

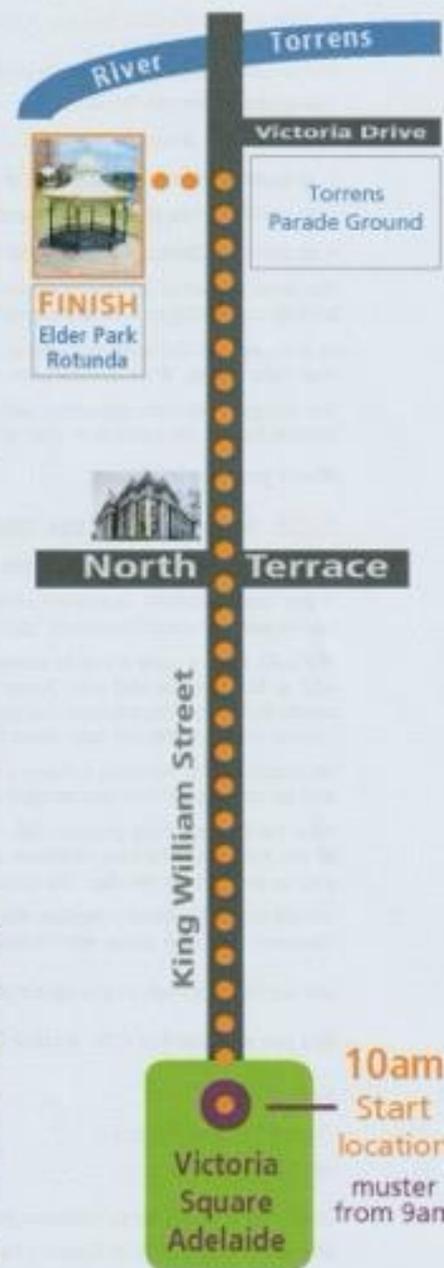

We'll soon start promoting a Care Product drop off point, allowing walkers to bring with them a range of Household items to build up kits that help survivors to set-up new homes for themselves and kids (eg kitchen / bathroom / bedroom kits)

We wish to catalogue and promote existing Rotary Club projects already running to support Domestic Violence survivors. Add Value to you!

We're aiming to build promo support tool kits and materials to help Clubs better promote their projects - or start a new project.

There are many ways that Your Club can join forces with Walk for Respect to ensure that not only the Walk itself is an outstanding success, but Rotary as a whole gains great Media and Public awareness. [Options on this page:](https://walkforrespect.au/about-the-parade/rotary-clubs-get-involved)
<https://walkforrespect.au/about-the-parade/rotary-clubs-get-involved>

Running this magnitude of Walk and Project does come at a Cost. In your Club's 2025-26 budget Planning - if you could allocate \$500 or more to help us make the entire programme a success, we would be grateful.
