From the Shed

The Shed on Linde is evidence of a circular economy, goods received by the Clothes team: Clothing/linens. shoes. bags etc are sorted, if saleable are washed. ironed, priced and placed on the racks for sale. Excess clothing, linens etc are sent to partner agencies including overseas; unsaleable is sent for recycling - rags .

**Guest Speaker: PDG Jeff Neale
Principal – Paradise Mazda**

Jeff gave a very interesting synopsis of his life. His father Reg was a charter member of the Rotary Club of Campbelltown.

His mother’s family ran the Cudlee Creek Tearooms. Jeff and his wife Jenny are involved in many Community Programs. The business is a strong supporter of Rotary.

Jeff has worked in all aspects of the business. He began working as an apprentice mechanic.

Jeff told us how the family business was built and expanded over the years. It is pleasing to hear of their succession plan involving the next generation. Their son Ben works in management.

Jeff said the biggest changes in business over the years have been in technology. Before 1980 all transactions were recorded in writing. Then came computers and the efficiency of electronic data records and transactions.

Jeff believes in the personal touch. He said his staff are integral to success leading to generations of customer care. Jeff said the quality of relationships underpins quality of the business.

Vote of Thanks – Julia Verran gave the vote of thanks and reflected on the positive service received by many Rotarians in the room from Paradise Mazda.

David Heilbronn Shed Report**

Trading was steady on Saturday.

Watch this space and Facebook for an update on a special upcoming Clothing Sale with afternoon tea at the Shed.

Milton Jones – District Assembly – The Role of the Secretary

Milton reported on the session and reflected on the changes since he was previously Secretary... particularly with communication and technology. Clubrunner is an invaluable resource for Clubs particularly with a secure data base and record keeping.

Pam Vaughton - District Assembly

There were 190 registrations for the District Assembly.

District Governor M-I Lees

Pam is incoming District Secretary and attended both the Presidents (PELDS) and District Assembly days. (As did Wendy in her role.) The DGE is Rajeev Kamineni from the RC of Adelaide. The Training was organised by Di Clements from the RC of Norwood. Attendees heard of the aims of the Regionalisation Pilot. Rotarians were invited to embrace some change, but maintain Club strengths and projects.

Apologies and Wellbeing Report – Sending greetings to John Reynolds
