PAUL HARRIS FELLOW PRESENTED TO VOLUNTEER ARTHUR TERRELL

On Thursday 5th June Rotarians Phil Smith & John Dubberly visited the Club's long serving volunteer, Arthur Terrell. Since suffering a stroke Arthur has moved from his home in Royston Park and is now a resident at the Healthia Residential Care Home in Elizabeth South.

Arthur "The Book Man" had been a volunteer at our Rotary Shed for many years. Arthur had a passion for the display of the books at our shed. They were highly organised into various categories and were regularly rotated & resupplied as necessary. Arthur attended working bees on Wednesdays, Fridays, & Saturdays & was rarely away.

Arthur also had a great appreciation for the collectable books which were displayed in a cabinet which he personally sourced for that purpose.

He kept his stock moving by having regular sales & was always looking for opportunities, not only to advertise his books, but also to advertise our Rotary Shed events.

It was with great pleasure that Phil & John, on behalf of President Wendy, were able to present Arthur with a very well-deserved Paul Harris Fellow in recognition of Arthur's invaluable service to our Rotary Club over the years.

Arthur was most appreciative of this gesture by the Club.

His Paul Harris Fellow certificate & an earlier Certificate of Appreciation from the Club are now proudly hanging on the wall in his room at the Healthia Residential Care Home.

Tuesday 3rd June 2025

Dear fellow Rotarians,

Some of you will know that I have been involved as a judge of the South Australian Community Achievement Awards since the program first started back in 2010.

I was initially invited to become a judge as a previous Rotary District Governor, and have loved participating every year.

The Community Achievement Awards, very much like Rotary, change lives and make a huge difference in the community by acknowledging, supporting, empowering and enabling individuals, organisations and businesses that provide a community service or give back.

The 2025 program is due to kick off in July 2025 and conclude in February 2026, but the team who run the Awards are really struggling to find the level of sponsorship they need, to financially make it happen this year.

I am writing in the hope you might know someone, a business or a Not for Profit, that might be interested in supporting such a worthy Awards Program? You might be able to refer or connect me with an organisation you are affiliated with or know, that might consider becoming a partner of the Awards.

The awards team are offering a 20% discount for any new partner to confirm by 30th June.

There are four partnership levels that the 20% discount will apply for, and be deducted off the top of these prices below:

Gold level: Category naming rights: \$13,495*

Silver (great option if you don't have the funds for a category) \$4,995*

Bronze (Awards pre-event** and post-event promotion): \$1,995*

Supporter (promotion during the event**): \$1,000*

* Plus GST

** Event: is the Awards Gala Presentation Dinner at SkyCity, in Feb 2026.

Note: All partnership levels can be invoiced by Awards Australia, or their charity, the Awards Australia Foundation, and can be invoiced in one, two, three or even monthly invoice amounts.

These Awards have been operating and changing lives since 2010 and it would be a damn shame to lose them now.

Any organisation getting involved has the opportunity to enhance their brand's visibility and champion the exceptional community contributions of individuals, community organisations and businesses who are driving positive change in our communities.

I am very happy to have a chat, to further discuss the benefits of being involved and answer any questions, or connect you with Geoff Griffin, Awards Director (0417 813 348 or geoff@awardsaustralia.com) to get some more information.

With your support, we can help these wonderful Awards to continue.

You can find further information on the SA Community Achievement Awards at www.awardsaustralia.com/sacaa or find them on social media.

Cheers and thanks for your consideration,

Arthur Manser

Wellbeing Report – All well.

Apologies
