Guest Speaker – Jack Batty -- London Calling

Reflections on my time at the Australian High Commission in the United Kingdom – 2019-2022

It was refreshing to hear of the aspects of Jack's work in the UK. He spoke of events in the UK that are fresh in our minds and how it felt to be an Australian official at the time.

Jack spoke of trade arrangements and promotion of our country.

He touched on Climate Policy and AUKUS.

Jack explained the Consular role during Covid... when Australians were unable to travel and subsequent issues.

It was most interesting to gain some insight into Jack's UK experience.

Bruce Ballantyne gave the Vote of Thanks.

The Club took the opportunity to discuss various projects - processes and procedures. Wendy led the discussions and all members present were able to be involved.

It was agreed the Club would review the Projects Process at the AGM in December.
