Next Club Meeting – Tuesday 3rd December 2019 at the Kensington Hotel

Guest speaker Dick Cuttle – Calperum Station

Report of Meeting 3113 held on 26th November 2019 at the Kensington Hotel

Meeting Opening - Sergeant *Milton Jones* called the meeting to order and *Sue Bardy* gave the Invocation and Loyal Toast.

President's Welcome – John George welcomed Rotarians and Guest speaker Rob Harding and his wife Marianne. He made special mention of Bill Winslow and Angela Williams who have returned from trips.

Guest Speaker – Corporate Membership - Rob Harding and wife Marianne were introduced by Brian Kretschmer. Rob has long term experience in education and is a past president of the Rotary Club of Somerton Park and Marianne is president elect.

Rob explained that their Rotary club has two Corporate members, the City of Holdfast Bay and Minda Inc. These memberships have evolved by consolidating existing relationships. Their philosophy is that working together they can achieve much more than working individually.

A key person is identified in the organisation and they become a Rotary member. They in turn can identify three colleagues in their organisation and these then enjoy the same privileges as the key person does. There is no obligation for these members to attend meetings but they are welcome to do so.

Romaine Dawson thanked Rob for his talk.

President's Announcements -

- Norwood Christmas Pageant – Thanks to all concerned.
- AGM – On the 10th December.
- 'River Run to the Reach – Classic cars - 17th April 2020.
- Cambodia trip in 2020 – Several members showed interest.

Members' Minutes –

Phil Smith - Norwood Christmas Pageant – On Thursday evening 9 Rotarians & partners met at the Rotary shed to decorate our Rotary truck in preparation for the Clubs' participation in the Norwood Christmas Pageant. This year the theme for the truck was 'toys' so everyone pitched in to transform the appearance of the truck – it really looked great. Central seating on the tray helped to maximise the numbers we could have on the truck.

After the decorating was finished, we all moved to the shed kitchen for drinks & nibbles. Thanks to Peter Hewitt for providing sparkling wine for the occasion. It was great to once again share in fellowship at our Rotary shed.

On Saturday a group of 25 of Rotarians, partners, children, grandchildren & friends met at the assembly point on the Parade making a strong presence for the Club.

We were visited by our District Governor, Tim Klar & wife Bronwyn, who congratulated us on our strong presence in the pageant. We all had great fun handing out sweets, shooting bubbles into the crowd & generally having a fun interaction with those watching the pageant. All in all it was a great day.

After the fun of the pageant we headed back to Rotary Shed where Jen Carey had organised a BBQ for all the participants. Rod Carey & David Heilbronn welcomed us back with a sausage sizzles, egg & bacon rolls, drinks & ice blocks for children. It was a fitting end to a great day & as a bonus we were able to enjoy the live band playing at the Urban Picnic being held in Linde Reserve.

Thanks are extended to the Community Committee & all those who helped to make our Club's representation at the Norwood Christmas Pageant the great success that it was.

Rod Carey – Fundraising report –

Last Friday and Saturday an 'Urban Picnic' was held on Linde Reserve but due to limited man-power because of the Norwood Pageant on Saturday morning, it was considered impractical to open. However, we deliberated about opening the Shed on Friday night until we discovered that there was a \$15 entry fee to the public.

On Saturday morning, because the reserve was fenced off, our customers were only able to enter via Stepney St, and then only until 1 pm before they were challenged by the gate attendants. As a result, our attendance was down and takings were only \$800.

After the pageant, the marchers returned for a free barbeque lunch in front of the shed and Members and their children and grandchildren stayed on until after 2 pm while being entertained by the band across the park.

We will write to the Council requesting that if a similar event is held, then the fencing should be arranged to allow our customers free access from both sides of the park.

The Shed will be closed as usual for the two weeks after Christmas Day.

The roster for the first quarter of next year is being prepared and ALL Rotarians are being asked to nominate their days available, including the two public holidays, and an early reply is requested.

Design & Creativity Awards – Design and Creativity Awards - A thankyou from a Loreto College

Yes, once again it was a great evening; well organised and a positive atmosphere. The calibre and breadth of work is amazing. As a teacher, I was particularly humbled by the appreciation shown to the teachers that were in attendance. It makes what we do worthwhile.

The recipients of the award are highlighted on our Loreto social media as well as in the school year book. The visual art student was also announced at our Year 12 art show.

Thanks again, we genuinely appreciate our inclusion with St Peters Rotary club annual awards.

*Kind regards,
Ms Sue Randell - Visual Arts Teacher, Loreto College*

Operation Flinders – Brian Kretschmer

Operation Flinders Marryatville High School Exercise – (Extract from report)

Operation Flinders Exercise 5A/19 was conducted from the 27th August – 5th September, and involved schools from metropolitan and regional South Australia, including a team from the Marryatville High School.

Funds received from the Rotary Club of St. Peters were allocated to supporting the Marryatville team. It should also be noted that every dollar invested in supporting the Operation Flinders programs is leveraged by many multiples due the substantial in-kind and volunteer support that goes into the positive results we achieve in helping youth at risk.

The Operation Flinders program is a vital circuit breaker to help youth make positive choices, to stay engaged in education or jobs and to avoid ending up in the justice system. In addition to many individual success stories, third party studies have clearly demonstrated the significant outcomes that arise from our early intervention work. Whilst the young people will be the immediate beneficiaries, the program has the ability to have a longer-term flow on effect where schools, families and ultimately the wider community will see the benefits of the program.

Almoner - Keith Shaw – Dennis Henschke and Nessie Faulkner's sister Roslyn were mentioned.

Sergeant - Milton Jones – As usual fining people for no particular reason.
