

ST PETERS ROTARY CLUB ENVIRONMENTAL SUSTAINABILITY GRANTS GRANT APPLICATION FORM

St Peters Rotary Club, in partnership with the City of Norwood Payneham & St Peters, is offering funding grants to individuals, community groups, education groups and businesses to assist them to undertake local level actions or projects that will make a positive difference to the environment.

Grants offered will normally be to a maximum of \$1000, however larger grants may be offered to projects with great merit. Grant recipients will usually be selected using the following criteria, however applications that do not meet all of these are still invited

- project site is within, or close to, the Norwood Payneham St Peters Council area.
- the **positive impact** the project or initiative has on creating **positive environmental change**.
- the **simplicity** of the project and its **applicability** for other groups in the community to be able to adopt it
- the ability of the applicant to **sustain** the project without ongoing financial support from this grant
- evidence for the successful completion and, if appropriate, ongoing maintenance of any preciously RCSP funded project

Examples of suggested actions or projects, which may assist you to assess if a St Peters Rotary Environmental Sustainability grant is appropriate for your project include:

- establishing a recycling or waste minimisation process within the business or community group
- implementing a food recycling, or donation system, to reduce food waste within a community organisation or school
- undertaking re-vegetation or conservation work on a landscape accessible to the applicant
- establishing a local food production garden, native garden, insect attracting garden or sensory garden
- providing education to children, in the form of action learning, on the environmental benefits of sustainable food production and purchasing
- providing education to children, in the form of action learning, to increase environmental awareness
- undertaking a planting day to create increased canopy cover.

Applications must be made before October 31st, 2024. The grant selection process will be undertaken by the St Peters Rotary Club and successful applicants will be notified early November. The grant period runs until the end of June 2025.

St Peters Rotary Club may request access to the site of the project to observe progress or outcomes delivered. In addition, St Peters Rotary may also request your agreement to take photos, interview you or undertake events with you, to promote the group achievements of the St Peters Rotary Grant funding program.

Enquiries about the St Peters Rotary Club's Grant Funding Program can be made by email to admin@rotarystpeters.org.au.
