Weekly Meetings - The Rotary Club of St Peters meets on Tuesdays at 6:00 PM at the Kensington Hotel, 23 Regent St., Kensington, S.A. 5068. Visitors are welcome.

Coming Events

Tuesday 8th December – 6 for 6:15 pm - Club meeting at San Giorgio - AGM and elections
Guest speaker - Hayden McComas, SA CFS based at Hermitage Brigade
Board meeting at 5:00 pm prior to the Club meeting.
Saturday 12th December – Christmas Party at the Shed.

Report of Meeting 3158 held on Wednesday 1st December at the Rotary Shed

This Rotary meeting was one not to be missed. The Club is well known for its highly successful 'Shed' whereby members provide a service to the Community by recycling goods and using the money raised to benefit people who are in less fortunate circumstances.

However, this meeting epitomized the notable social and fellowship aspects of the Rotary Club of St Peters. Rather than following the Community stereotype of Rotary being a group of stuffy old and often wealthy businessmen having weekly dinners, one could be forgiven for thinking it was a just a group of people having a lot of fun and fellowship. The meeting was held on the lawns in front of the 'Shed', the weather played a few tricks with some chilly, gusty winds, but this did not detract from the happy occasion when two new members joined the Club.

Opening

Chairman *Arthur Manser* opened the meeting and *Carmel O'Reilly* gave the invocation and loyal toast.

Carmel reminded those present that Rotary members are encouraged to follow 'The Four Way Test'.

She said "the 'Four Way Test' is successful because it deals with human relationships. It recognizes that the welfare of each individual is the welfare of us all. That makes it ideal for an organisation such as Rotary."

Carmel explained that the test was coined in 1933 by the president of an American aluminium products company. The test, when applied to the employees, was credited with lifting the company out of bankruptcy during the depression. In 1940 the 'Four Way Test' was adopted by Rotary International.

Next week's meeting at the San Giorgio Centre

This will be the Club's **Annual General Meeting** at which the balance sheet and auditors report for the year ending 30th June 2020 will be adopted.

Copies of the updated **Club Constitution and Club Bylaws** have been circulated and these will need to be ratified by the members.

Nominations for the **Club's Officers and Directors** for Rotary year 2021-22 have been received and further nominations will be accepted at the meeting. If necessary, a ballot will be held and the final nominees will then be declared elected.

Greg Rogers - CHRISTMAS PARTY Saturday 12th December

This year's Christmas Party will be a departure from the last few years in two major respects. Firstly it will be held **on the lawns of Linde Reserve** in lieu of Bested's lawns. **BYO chair and/or 'fancy drinks'**.

Secondly it will be self-catered. In all other details it will follow our tradition and includes :-

Pre-dinner drinks and nibbling platters

Orange-basted Christmas ham / turkey rolls with a range of salads

Desserts

Tea and coffee

Visit from Santa

As we are self-catering we are able to reduce the cost from the \$40 pp of past years to **only \$25 pp**
Flyers and Attendance sheets are circulating. Save the date ! Don't miss out !

Shed Opening - Fundraising Director - *David Heilbronn*

David said the Shed will continue to be open on Saturday mornings with some restrictions.

Due to the Covid-19 the café will remain closed to avoid congestion. A QR code is in place so anyone visiting the shed can scan it with their mobile phone (if they have installed the MySAGOV app).

***Phil Smith* – International Director – International students**

Spoke about the plight of international students in Adelaide. The committee has organised for 8 to 12 students to select \$40 worth of goods from the Shed and they will also be provided with some light refreshments. Rotarians and partners are invited to go to the shed at 2 pm next Saturday. Talk to Phil for details.

***Keith Payne* – ClubRunner**

For people using the ClubRunner App on their phones or tablets – they need to update the App to keep it working correctly. Once installed, this App can be accessed with the same login details as for the St Peters website and provides information about our Club and District including the contact details for all the Rotarians in District 9510. Talk to Keith if unable to use the App.

Rotary District 9510 Conference 2021

Westminster School, Marion has been selected as the inaugural District 9510 Conference venue.

Remember - 16th to 18th April 2021 - Plan NOW and register NOW.

For details talk to the Conference Chair, PDG ***Arthur Manser*** or visit the website at -

<https://www.rotary9510.org/page/conference-2021>

Acknowledgements and meeting closure

Chairman Arthur gave a special thanks to all those who worked to make the meeting a success, especially *Greg Rogers, Pauline Yates, David Strange and Shirley Manser*.

President Bill closed the meeting by thanking all who attended, especially mentioning the 2 new members and their families.

Bill also thanked the guests who attended - DG David Jones and Lyn, PDGs Wendy Gaborit and Sam Camporeale, Rotarian partners Rhonda Heilbronn, Jen Carey, Margaret George and John and Margaret's daughter Cathy Miller.

Peter Hewitt was welcomed back following an operation.

New Member – Jim Owler

Club President *Bill Winslow*, with the able assistance of Club secretary Pam Vaughton, inducted Jim Owler as a member of the Rotary Club of St Peters.

Jim was sponsored by Past President *John George* and Jim and his wife Betty were warmly welcomed.

Jim had the privilege of being presented with his Rotary pin by District 9510 Governor, David Jones.

Also present were Jim and Betty's two sons Jeffrey and Lindsay and daughter in law Catherine.

Jim's Profile

Jim was born in Glasgow, Scotland during WW2. It was difficult times for Jim and his parents, having to endure food and clothing rationing, but he said he had a happy childhood. During his late teens and early 20's he enjoyed mountain climbing in the highlands of Scotland and travelling with his mates in his little red Morris 8 van.

He met his wife Betty at a dance and in 1965, 13 days after their marriage they sailed to Australia. They settled in Western Australia where Jim worked in electrical construction, mostly in the iron ore industry in the Pilbara region. After a time in Whyalla, they moved to Adelaide with their two sons.

Jim then undertook a tough challenge in West Papua, Indonesia, using helicopters to install high voltage transmission lines over terrain up to 4,700 metres above sea level. They moved to Melbourne for 8 years before returning to Adelaide to enjoy retirement.

New Member – Tony Camporeale

President *Bill*, again with the assistance of Secretary *Pam* and DG *David*, inducted Tony Camporeale into membership of the Club.

Past President *Brian Kretschmer* sponsored Tony and he and his wife *Melissa* were welcomed by Club members.

Tony's cousin, Past District Governor *Sam Camporeale*, was present to witness Tony's induction.

Tony's Profile

Tony had some knowledge about Rotary because his cousin *Sam Camporeale* is a long time Rotarian and was the District 9520 Governor in 2016-17. Tony, upon retirement, was looking for a way to be involved in the Community and contacted the St Peters Club.

He attended several meetings and was impressed by the friendly welcome he received and the information provided about the club's activities.

In talking about his life, he made the mistake of saying he was an AFL Port Adelaide supporter. However, he was forgiven by those Rotarians who follow other teams on account of the fact that Rotarians accept diversity! However, he'll have to be ready for fines during the next footy season.

Tony has been involved in information technology (IT) for many years, starting in, as he described it, the 'dinosaur era'.

Tony has two daughters, one an audiologist, the other a teacher. He worked in Taiwan for several years, learning about other cultures and met his current wife *Melissa* there and they have a son, now aged 21.
