## Report of Meeting 3164 held on Wednesday 17th February 2021 at the Walkerville Bowling Club

Attended by members and partners from the Rotary Clubs of Prospect, Walkerville and St Peters and held at the Walkerville Bowling Club.

With the temperature in the high 30's, members were happy to hydrate in the Clubhouse before we hit the greens.

At least two novices thought they were in for an introductory lesson and a soft landing. But no. After the two sides of a ball were identified by weight we were teamed up - with experts. Luckily they were kind experts when the bowls were gathered prematurely... and when the gutter was graced and when we couldn't find a matching pair.

We were saved by the call of pizza and pleasant fellowship.

Thank you to Walkerville R C for hosting and to our team members for their patience.

I am still wondering what a magpie ball might be?

### Jazz in the Park Barbecue - Saturday 13 February 2021

The Norwood, Payneham and St Peters Council invited our Club to provide a barbecue for their Jazz in the Park Event.

With valued advice from previous event organisers we set up and served sausages, veggie burgers and cold drinks.

The weather was perfect and the setting of Koster Park sublime.

The live music was delightful. Our new sign had its proud debut.

Thank you to the Rotarians and partners from our Club who made this happen.

Special thanks to AG Brian Kretschmer for a huge effort in planning and working tirelessly.

All agreed it was a day of fun, work and fellowship helping in the community.

## From the Secretary

## Rotary Uniforms

There have been several requests from members who wish to order caps, bucket hats, coats and polo shirts. We will place a batch order on 17 March. This will minimise postage costs.

Meanwhile if you would like to view the Rotary apparel please visit the following website.

Please note in the past we have purchased our polo shirts locally. We will make further enquiries about availability, and report back as soon as possible. Feedback is most welcome.

## Sewing group for Congolese women

Brian Kretschmer's sister-in-law, Bronwyn, contacted him late last year about the possibility of our club donating some fabric available from our shed sales for sewing lessons.

Bronwyn is a volunteer with STTARS, the Survivors of Torture and Trauma Assistance and Rehabilitation Service in Adelaide.

Bronwyn had volunteered to run a sewing group for Congolese women, teaching them how to use a sewing machine.

## Rotary Club of St Peters - Weekly Bulletin – 20210217 – 17th February 2021

These women are largely isolated in their own homes, and are looking for social contact, as well as the opportunity to learn how to sew for their families so that they can save money.

It would be great if they could come to the shed, but it is too far away from where they live!

They were to begin with the basics like sewing cushion covers, shopping bags, and children's pant, the first being the making of face masks! Following that move onto making dresses!

Bronwyn was looking for the following materials:

- Brightly coloured lengths of cotton fabric (no stretch, nothing shiny)
- Brightly coloured sheets or doona covers that we can cut up for lining fabric
- 1" wide elastic

After contacting the Shed manager, David Heilbronn, Bronwyn and Brian met Rhonda Heilbronn and Barbie Birkedale at the shed one Thursday morning.

A big thank you to Rhonda and Barbie, and Jenny Carey for making material and fabric available, they were really pleased to be able to help.

As can be seen by the photos the ladies are up to the task! It was a great success! They were only expecting about 4 ladies and 10 to 12 have turned up!

Well done RC of St Peters.
