Weekly Meetings - The Rotary Club of St Peters meets on Tuesdays at 6:00 PM at the Kensington Hotel, 23 Regent St., Kensington, S.A. 5068. Visitors are welcome.

Coming Events

Next meeting - to be held on Tuesday the 2nd March 2021 at the Kensington Hotel
James Stevens MP, Federal Member for Sturt – Partners Night

Report of Meeting 3165 held on Wednesday 23rd February 2021 at the Kensington Hotel

Sergeant Greg Rogers called the meeting to order and Phil Smith gave the invocation and a toast to Rotary. Phil observed that the 23rd of February is the 116th anniversary of the first Rotary club in Chicago, USA.

President Bill Winslow welcomed everyone to the meeting. A number of partners were also present.

Guest Speakers

Romaine Dawson introduced two young people who made presentations about their experiences as successful candidates for the Rotary National Youth Science Forum (NYSF). Due to COVID-19 restrictions, the normal trip to Canberra was not possible, however a successful program was conducted online and in SA.

Xian Huang, who was accompanied by his mother Deyu Qu, said he grew up in China and then attended St Peters College in Adelaide. He talked about future possibilities in science, such as having computer chips planted inside one's brain, allowing a person to control for example an artificial limb. He also spoke about being inspired by Professor Barry Marshall, who together with Robin Warren, discovered spiral bacteria named *Helicobacter pylori* in the stomachs of almost all patients with active chronic gastritis, or duodenal or gastric ulcers, and proposed that the bacteria were an important factor in the aetiology of these diseases. Xian thanked the Club for sponsoring him and especially the support from Romaine and Chris Dawson.

Lucy Percival, a student at Wilderness School was with her mother Kylie. She also thanked the club for sponsoring her for such a valuable experience. She said she was fascinated by the STEM (Science, Technology, Engineering, Maths) program, especially the biology sciences and said that many future jobs and vocations don't exist yet. As part of the NYSF program she visited Adelaide and Flinders Universities and the Waite Campus and was interested in how biology affected agriculture. She also enjoyed the fact that Dr Karl Kruszelnicki was part of the program.

Chris Dawson thanked the two guest speakers.

Induction

President Bill Winslow inducted Sonia Schepetiuk as a member of the Rotary Club of St Peters. Sonia has been a work colleague of President Bill for many years and she has also been a valued volunteer in the shed. Her profile is as follows -

1976 Graduated from Adelaide University with a Bachelor of Science and a Graduate Diploma of Medical Technology
1977 to 2019 worked at SA Pathology as Senior Medical Scientist in Infectious Diseases
2013 to present - volunteered on Saturday mornings at St Peters Rotary Shed, Music and Technical Awards, Annual and Xmas Fetes etc.
2014 to present- committee Member NYSF
1963 to present - Ukrainian Scout member
2020 to present - volunteer at Adelaide Calvary Hospital

The Club welcomed Sonia as well as her husband Jim Williams.

President's Remarks

President Bill thanked the 16 workers who helped with the BBQ at the Jazz festival and also those who attended the combined social meeting at the Walkerville Bowling club.

He encouraged more Rotarians to attend the District Conference and also to set aside the 30th March for the Club visit to the City of Adelaide Clipper restoration project.

Members Minutes

David Heilbronn gave an update about the proposed airconditioning of the Shed. He also provided the bulletin editor with this reminder to future meeting chairpersons.

Guidance for Guest Speakers re Audio Visual Requirements

- 1. It is important for the Chairperson to advise the Guest Speaker of the Audio Visual conditions at The Kensi.*
- 2. The distance between the lectern and the wall plugs mean that it may not be possible to use your own laptop on the lectern. There is often not sufficient time to adjust your own laptop to use the display at The Kensi as it has issues.*
- 3. It is far safer for the Guest Speaker to bring the PowerPoint Presentation and/or video on a USB stick (formatted as FAT32 or ExFAT) and use the Club Laptop and the Club Remote from the lectern. This is a known combination that works. As the interface is via HDMI, videos can also be displayed.*
- 4. It is also advisable to use 20 point or larger fonts in PowerPoint to ensure visibility. This particularly applies to the legends and scales on graphs.*

Apologies

Rod Carey, George Dimitriadis, Dennis Henschke, Anne Price.

Rotary Uniforms

There have been several requests from members who wish to order caps, bucket hats, coats and polo shirts. We will place a batch order on 17 March. This will minimise postage costs.

Meanwhile if you would like to view the Rotary apparel please visit the following website.

<http://rdusupplies.com.au>

Please note in the past we have purchased our polo shirts locally. We will make further enquiries about availability, and report back as soon as possible. Feedback is most welcome.

Visit to the Clipper restoration project - *The City of Adelaide*

Rotary meeting - Tuesday 30th March at 4 pm - \$15 to tour and then a meal at a local hotel afterwards.

The Clipper Ship City of Adelaide is the world's oldest clipper ship. Built in Sunderland, England, and launched on 7 May 1864. City of Adelaide was built by William Pile, Hay and Co. for transporting passengers and goods between Britain and Australia. Between 1864 and 1887 the ship made 23 annual return voyages from London and Plymouth to Adelaide, South Australia. During this period she played an important part in the immigration of Australia.

On the return voyages she carried passengers, wool, and copper from Adelaide and Port Augusta to London.

Cord Blood Celebratory Grand Afternoon tea

Dear Rotary Club members, partners and friends,

I am delighted to invite you all to a Cord Blood Celebratory Grand Afternoon tea with our Patron, the Governor's wife on Friday April 9. The invitation is attached for the event which will be held at the Campbelltown Function Centre from 2 to 4.30pm. The cost is \$25 per person. Please distribute this invite to your members. RSVPs will be to our Inner Wheel Treasurer Meryl Schultz by March 25th at latest (all banking details and email are on the invite). Tickets will be sent to you on receipt of payment.

No tickets will be sold at the event.

One of our Ambassadors Prof Richard D'Andrea will be telling us about the importance of cord blood research and diseases it can alleviate. Should you have any queries please don't hesitate to contact Edna Bates on 0402 267 239 or email batesej@gmail.com.

I look forward to seeing you there.

Kind regards

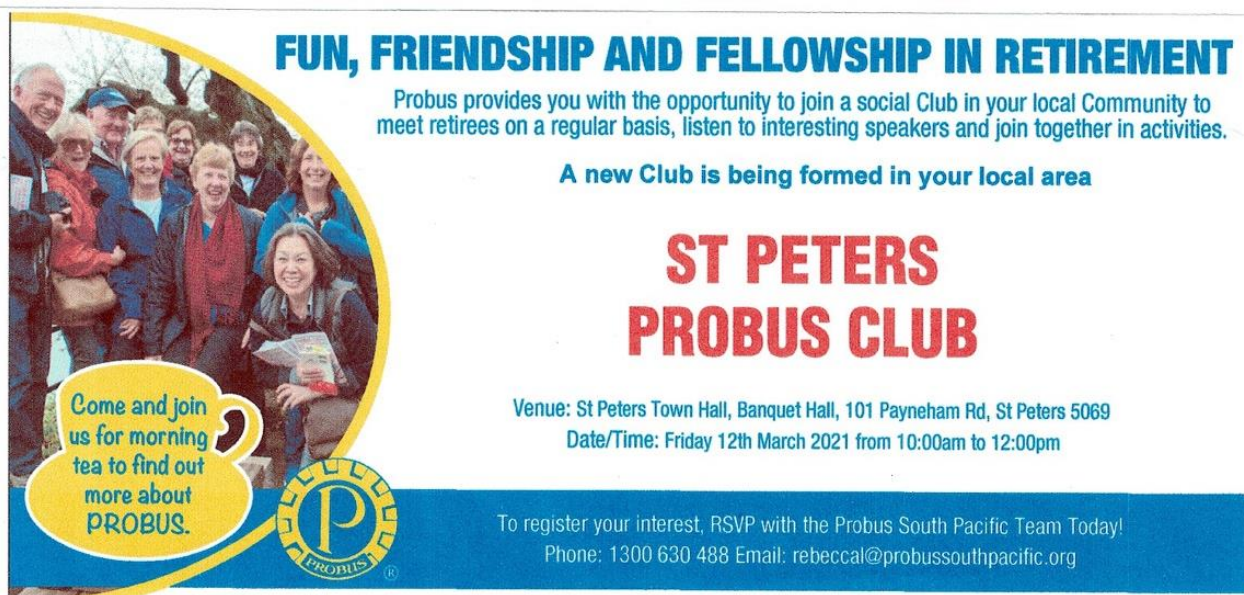

Tonia Lewry (Chairman Inner Wheel District A70 South Australia)

Jane Doyle

Jane Doyle has presented the Channel Seven News in Adelaide since 1989. Her media career began more than 40 years ago when she left the secure, and relatively well-paid job of schoolteacher, for a newspaper cadetship on trivial money in a Far North Queensland country town. In 1987 Jane was seduced by television, firstly, as a relief news presenter, and then in 1988 was appointed the Monday to Friday reader for ABC TV in Adelaide. Jane left 'Aunty' in 1989 and has now spent 32 years working for South Australia's number 1 television news service – Seven News. Jane is Chair of Carclew – a youth arts organisation.

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The international theme for 2021 is -
