**Guest Speaker – Cherilyn Fleming from RAM - Rotarians Against Malaria**

Chairman Phil Smith introduced Cherilyn Fleming.

Cherilyn joined the Rotary Club of Adelaide South (now Adelaide Central) in 1992. She then moved to the Rotary Club of Blackwood, where she was President in 2009 – 2010.

Having retired and moved to Goolwa; Cherilyn is now a member of the Rotary Club of Encounter Bay.

Cherilyn's work has involved the development and implementation of education and training programs for adults who are disadvantaged. They have included prisoners, those experiencing homelessness, rehabilitating alcohol and/or other drug users and people with multiple disabilities and challenging behaviours. Cherilyn has just taken on the D9510 Rotarians Against Malaria role as Regional Supervisor and she is presenting about the work of RAM.

## Malaria Elimination: A Work in Progress

~100 countries affected by Malaria in 2019

## RAM Programs: Breaking the cycle of infection

It's a very grass roots approach:

- Collaboration: Other NGOs & Governments
- LLIN bed nets
- Residual insecticidal spraying (IRS)
- Education
- Engineering environments
- Controlling larvicide in breeding grounds
- Rapid accurate diagnosis, surveillance
- Effective treatment (Logistics)
- Research: PhD Scholarship, vaccines?

## CURRENT **RAM** VISION INCLUDES

- Strategic provision of nets – maternal, special needs, areas not covered by Global Funding, epidemic preparedness
- Provide more educational resources (schools) eg flip charts
- Provide more Rapid Diagnostic Kits
- Expand RAM Healthy Villages
- Sponsor a second PhD candidate
- Provide more volunteer teams
- Convince RI that malaria should be next after Polio is eradicated.

Cherilyn showed some delightful footage of children performing a clean-up song to help residents become aware of the importance of reducing the mosquito population and the risk of bites.

*“Clean up your garden  
Use mosquito nets”*

Sonia Schepetiuk thanked the speaker, Cheryl Fleming (right), and Milton Jones presented her with a cheque from the Club.

**Happy Birthday to the Rotary Club of St Peters - 63 years old - Arthur Manser - Vice President**

The Rotary Club of St Peters was chartered on the 29th April 1958 with Lionel Catt as charter President. In March 1961 the first Jumble was held raising \$600.

During 1994 a Rummage Shop was established at the Marden Shopping, and continued until increased rent and the redevelopment of the centre forced us to relocate to our Rotary Shed in Linde Reserve.

Members of our club have made many overseas trips to build schools and support third world countries. Our club has been a strong supporter of both the Australian Rotary Health and Rotary Foundation and this year we have 23 Centurions.

3 members have been District Governor and 2 other Past District Governors had joined our club. In our book 60 Years of Service, it said The Rummage Shop and Jumble Sales would have raised over \$1.5 million – now, three years on, that amount would be over \$1.6 million allowing us to do good in the world.

I'm proud to be a member of this great club, we all should be too.

### Sergeant's Session

Sergeant John Dubberley regaled us with an amusing definition of Sergeant at Arms. John did a fine job of the fine job to the Treasurer's delight.

### St Peters Fair – 24 April 2021

The Rotary Club of St Peters was delighted to be part of the St Peters Fair. The weather was delightful and the offerings varied and engaging.

We felt privileged to partner with the Council for this event right outside of the Shed Door! The Fair organisers, pictured with Vice President Arthur, were very helpful to ensure we had our barbecue sizzling and secondhand treasures on sale.

St Peters Fair – 24 April 2021

The crowd was buzzing by 11.30

Shed funds raised will be used to support our local Music in Dementia project and other projects.

Did we say we sell a large range of goods? Hairdressing hedgeclippers?

This just goes to show that although we work hard at the Shed we have fun along the way.
