Report of Meeting 3175

President Bill welcomed attendees at the Foodbank Premises at Cross Road, Edwardstown.

ROTARY CLUB OF ST PETERS – 4TH MAY 2021 – VOCATIONAL VISIT TO FOODBANK SA

This week 14 St Peters Rotarians & partners visited the premises of Foodbank SA at Edwardstown.

Chief Executive Officer of Foodbank SA, Greg Pattinson, initially addressed the group giving a comprehensive overview of the groups operations here in South Australia.

It was noted that Foodbank is Australia's largest food relief organisation & provides more than 70% of the food rescued to food relief organisations.

Following Greg's initial presentation, the group was then taken into the Foodbank warehouse. This is an expansive & well organised warehouse comprising extensive racking for the palletised food, cool rooms for the perishable goods & even a small 'Food Hub supermarket'. Greg explained how the goods were acquired, much being donated but some having to be purchased. In the cool rooms we were shown the fruit & vegetable which had been donated – it was all excellent quality.

Greg explained how Foodbank was expanding its operations & now has warehouses in Murray Bridge, Mount Gambier & Whyalla. One of the big initiatives was the establishment of Food Hubs – supermarkets where clients are provided with ‘a dignified’ supermarket shopping experience.

Currently we have 9 Food Hubs here in SA with another 2 to open in the near future.

One of exciting initiatives was the ‘meal packs’ which Foodbank were providing. These pack come with all the ingredients for a meal complete with a detailed recipe. They will feed a family of 4 for between \$4 & \$6 & you can even go onto YouTube to be shown how to prepare the meal.

At the completion of the tour President Bill thanked Greg for his most informative tour of the Foodbank warehouse operations.

Community Chair, David Birkedale presented Greg with a cheque for \$2000 to assist Foodbank in their most valuable work.

Donation to RAM – Thank you letter received

Dear Pamela,

This is to formally thank you and the members of the Rotary Club of St Peters for your generous donation to RAM. Rotarians Against Malaria is working towards the elimination of Malaria in western pacific countries.

Malaria is completely preventable – but it's going to take a lot of hard work to eliminate the deadliest disease in the world (except Covid).

The D9510 Active Case Detection (ACD) project for the Solomon Islands is coming along nicely.

The team comprises people from the Solomons, Hawaii, Queensland, Tasmania, Victoria, the ACT and South Australia.

We meet via Zoom at least every 2 weeks – a truly international, dedicated bunch!

Please thank your members on behalf of RAM National.

I enjoyed the evening and will certainly keep you up-to-date with Malaria information.

Yours in Rotary,

Cherilyn Fleming

9510 District Assembly – held at PAC – Kent Town - Sunday 2 May

DG David Jones and DGE Jeff Neale addressed the gathering.

The theme for 2021-22 is **Serving to Change Lives**.

Members are asked to raise the profile of Rotary, help increase membership and step up to serve the community.

Our Club was represented at the District Assembly by Club members Jim Owler, Angela Williams, Brian Kretschmer and Pam Vaughton; John George with the Allkids display – and District Chair of the Learning and Development Committee, Wendy Gaborit as MC, organiser, time-keeper and bell-ringer.

Video messages were received from Incoming Rotary International President Shekhar Mehta from India and Director Zone 8 Rotary International Jessie Harman from Victoria.

There were six groups of seven tutorial sessions offering during the day. For example your Secretary attended the one for Secretaries, one on Communication for Presidents and Secretaries and another on Youth STEM programs. One always learns new and interesting aspects of Rotary.

Our Club was also invited to deliver a Presentation about the Shed. We used historical pics to tell its story and showcase its ongoing success. We were congratulated on the presentation. It was even said (from the audience) our Shed resembled Bunnings with neat displays including the BBQ and Electronic Recycling facility!!

Thanks to PP Harry Powell for this pic taken in the week we first opened.

The Trees at Jack's farm – formerly owned by Pam Vaughton's late father Jack Edmonds

This week we took the time to do some tree maintenance at Jack's Farm – 240 kms north of Adelaide. 25 km east of Jamestown. The weather was calm but very chilly at night.

These trees were planted by members, families and friends of the RCStP in May 2018.

The purpose of this visit was to trim the height of a few more weeds and later remove the guards from those trees that have grown to double the height of the guards.

It is so rewarding to see their growth.
