Speaker: Dr Trudy Lin

Dr Trudy Lin was named the 2022 SA Young Australian of the Year as the youngest of only 20 practicing specialists in Australia's Special Needs Dentistry sector, providing oral healthcare to people with disability, psychiatric illness and complex medical issues such as cancer.

In May 2021, Trudy received Australia's Career Achievement Award and is also the 2021 South Australian Young Achiever of the Year for her contributions to the community outside her profession. During COVID-19, Trudy self-funded and established a Supported Independent Living Facility which provides specialised accommodation for people with disability to live independently in the community.

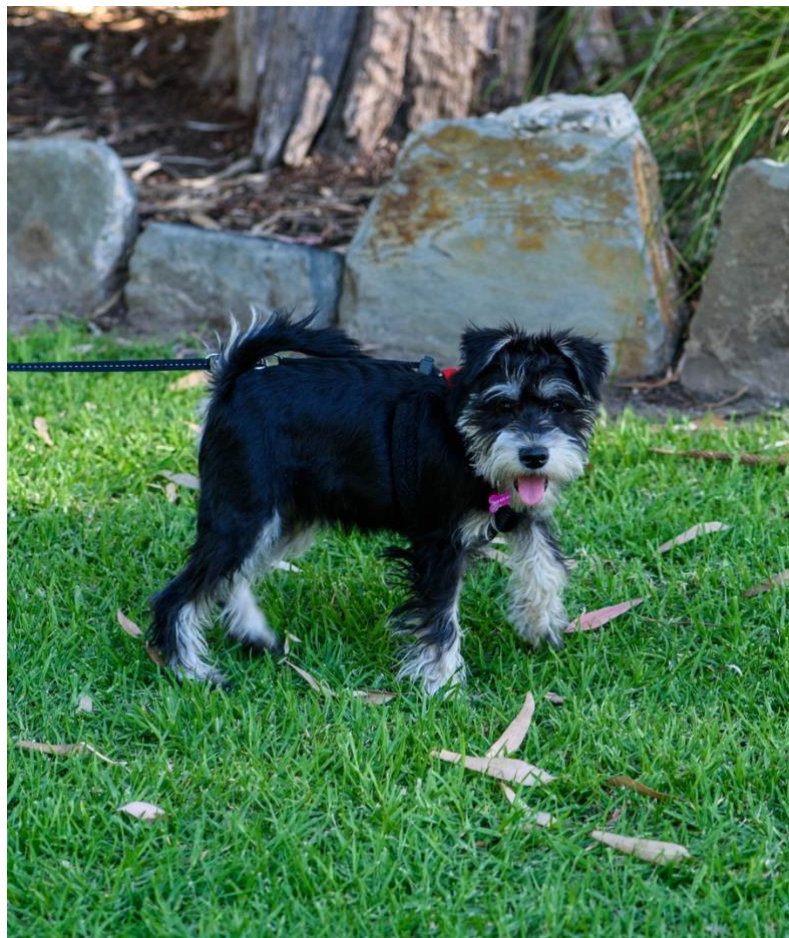

*Doggy News – Juno –
David and Barbie
Birkedale*

Juno joined our family in early February of 2019, the perfect Covid lockdown distraction.

She has been an absolute joy and keeps us entertained with her crazy antics. She keeps us grounded when all around us is chaotic and she keeps us fit by insisting on walks and activities.

She loves the beach and especially her local park and Linde Reserve, and has become very attached to her 'Aunties' at The Rotary Shed. She gets especially excited on Saturday mornings, as many who attend there can attest ! where she loves to spend time with her shed buddy Jatz and all the other visiting dogs. She has a cozy bed under the table in the clothing area, but loves nothing better than sitting on plastic bags, especially if they are full of clean clothing.

Members Minutes

Brian Kretschmer The Club will be providing a barbecue for Haymes Paints at Glynde in February. A good Public Image opportunity. We are being paid for the food cooked as well as a donation. Thanks to the small team who are helping with this service.

Food Plant Solutions As a followup from last week's donation on Zoom to this group via Una Hobday we received the following information....

To date **Food Plant Solutions** Rotary Action Group has created nutrition and food security focused materials for 52 countries. More can be learned about these and some of our projects in our first newsletter for 2022.

Shed Update from David Heilbronn – 2 February

Hi Volunteers,

Apparently Henry Street between Stepney Street and Nelson Street will be resurfaced this **Saturday, 5 February**.

There will be no parking and no movement of vehicles this Saturday on Henry Street.

It will be best if Members and Volunteers park in the Eastern Carpark for the Linde Reserve (Nelson Street) so that the public can use the Stepney Street Carpark.

Environment Focus – Jack's Farm Trees – Pam Vaughton

In 2018 The Rotary International President Ian Risely asked all Rotarians to plant a tree.

Our Club planted over 200 on Jack's farm.

We have had a subsequent hands-on visit with another planned.

I am very proud to share the trees' growth.
