From President Pam Vaughton

Members of the Rotary Club of St Peters are visiting other Clubs this week. Our thanks go to those Clubs who have kindly agreed to include visiting Rotarians.

One meeting I attended was a Zoom meeting concerning Youth Programs. Rotary sponsors a bundle; especially locally. This prompted the decision to inform readers of the One and All Sailing Challenge and feature Rotary Youth Programs in subsequent Bulletins.

If anyone knows a young person who would like to be involved in any of these programs, please contact the Club.

One and All – Rotary Sailing Challenge

My daughter was lucky to sail on the One and All training program as a sixteen-year-old. (This was a private arrangement through her school – before Rotary became involved....) However, a learning experience never forgotten, she says highly recommended.

A Web Search "Rotary Sailing Challenge" gives details of the program and further information.

WINTER WARMER FELLOWSHIP EVENT HELD AT THE ROTARY SHED - SUNDAY 28TH AUGUST

At mid-day on Sunday 28th August, 41 Rotarians, Partners & Volunteers were welcomed to the first official Rotary Club of St Peters Fellowship event for this Rotary Year – our **'Winter Warmer Luncheon'**.

Past District Governor, Arthur Manser opened the event, welcoming everyone on behalf of President Pam who was unable to attend. He then handed over to Fellowship Chair, PP Phil Smith.

Phil welcomed a number of special guests - volunteers Arthur Terrell, Darien Just & wife Margaret, David & Rachael Elliot and Ian Sando. Also, it was great to welcome Past President Keith Payne's friend Dianne & her son Shaun.

Phil explained that when this event was planned, he had fully expected the weather to be cold, wet & generally miserable. This belief had come from listening to ABC gardening personality, Jon Lamb. On a recent program his long- range weather forecaster, Independent Climatologist, Darren Ray, had predicted a miserable weather forecast for the last weekend this winter. Well did he get it wrong!! As it turned out we were blessed with brilliant weather – 22°C, sun shining – a great Spring day if a little early. This great weather enabled the committee to set up the event on the lawns to the front of the Rotary Shed.

On arrival everyone enjoyed pre-dinner cheese & dips along with a glass of sparkling wine, beer or a soft drink. It was great to get together & enjoy fellowship with our fellow Rotarians, partners & the volunteers.

WINTER WARMER FELLOWSHIP EVENT HELD AT THE ROTARY SHED - SUNDAY 28TH AUGUST

The main course was four delicious soups – chicken & vegetables provided by Betty Owler, pea & ham provided by Amy Strange and lentil & vegetables as well as pumpkin provided by Lucy Smith. These were enjoyed by everyone with some crusty Turkish bread. Seconds were enjoyed by many. Thanks are extended to Betty, Amy & Lucy for providing these great soups.

The main course was followed by sandwiches which were purchased from Costco. They were very fresh & delicious.

Thanks are extended to Arthur Manser who undertook the ordering & picking up of the sandwiches. Also, thanks are extended to Lucy Smith who provided some extra sandwiches for those with special dietary needs.

The meal was completed with a cup of tea or coffee together with a slice of St Peters Bakery carrot & walnut cake which can't be beaten.

Overall, it was a great day & another enjoyable St Peters Rotary Fellowship event. Special thanks are extended to David & Amy Strange, Jim & Betty Owler, Greg Rogers & Lucy Smith who helped to set up the event & the many who helped in the disassemble.

Phil Smith, Fellowship Chair.

Jane Austen – presented by Tim Bullamore

Last Wednesday the RC of Burnside and guests enjoyed a presentation about the life and times and subsequent portrayal of novelist Jane Austen – 1775-1817.

Three members of our club attended and were made to feel very welcome.

We wish to thank Burnside RC for their kind invitation to a very enjoyable session.

From the website -

"Tim Bullamore, the publisher of Jane Austen's Regency World, is an entrepreneur in journalism. He is a busy journalist, spending several days a week in London as the copy editor for the London Times. He writes obituaries for the Daily Telegraph about classical musicians. In addition to various teaching assignments, he is the editor and publisher of Jane Austen's Regency World Magazine, which comes out six times a year. Just to provide more variety, his wife holds a university teaching position in Scotland."

Visit to the Rotary Club of Norwood on the 30th August

Pam, Mary-Anne, Helen and Sue attended the 68th Birthday Celebration of the Rotary Club of Norwood. This was indeed a special occasion which was observed in style. The Club President treated us to an expedition of world travel with beautiful photo illustrations coming from his personal album.

He travelled the world, not in 80 days, but took time to enjoy himself while helping the needy people along the way. All this kept our attention while the dinner was served.

The surprise after the performance came in the form of a quiz that tested everyone's knowledge of Geography, places and people. It gave us the opportunity to share, laugh and get to know each other. The winners were not declared, as the written papers will be analysed later by the quizmaster.

The evening concluded with serving of the birthday cake that stopped everyone talking as we enjoyed sharing a best ending to a Rotary Meeting

Many thanks Rotary Norwood for a new way of celebrating a club milestone. St Peters had an unforgettable visit and we hope to see you again soon.

Visit to the Rotary Club of Kent Town at the Lord Melbourne Hotel 30 August 2022

Attending St Peters members included Phil Smith, John Dubberley, Bill Winslow, Paul Holton, John Gallehawk, Arthur Manser and Carmel O'Reilly. They met the Kent Town members Leah, Ellen, Kerry, and Chris, who were most welcoming.

Leah introduced the guest speaker, Peter Nicholls, Life Enjoyment Mentor, who spoke about what makes someone rich (depth and growth), and how if we continue to have a growth mindset after retirement, the bell curve of life can instead continue with steady growth in achievement and enjoyment because we can choose to do what we want to do, and be valued for what we do, particularly if we choose a service path.

Bill Winslow addressed Kent Town club members, thanking them for their hospitality, acknowledging the great benefits of attending the meeting, and inviting them to attend the Norwood Christmas Pageant on 26 November as participants on/with the Rotary Club of St Peters float.

A brief admin session was followed by a Happy Dollars session to which all contributed. The evening was enjoyed by all present.

On The Lighter Side

A prisoner in jail receives a letter from his wife: "Dear husband, I have decided to plant some lettuce in the back garden. When is the best time to plant them?"

The prisoner, knowing that the prison guards read all mail, replies in a letter: "Dear wife, whatever you do, do not touch the back garden. That is where I hid all the money."

A week or so later, he receives another letter from his wife. "Dear husband, you wouldn't believe what happened. Some men came with shovels to the house and dug up the back garden."

The prisoner writes back: "Dear wife, now is the best time to plant the lettuce."
