Death of Queen Elizabeth II.

District Governor Paul Thomas on the District 9510 website offered his condolence on behalf of Rotarians –

'I have on behalf of Rotary District 9510 expressed condolences on the sad news that Her Majesty Queen Elizabeth II passed away. The Queen demonstrated extraordinary dedication and commitment to duty throughout her 70-year Reign and did so with a graceful strength and admirable determination.

Majesty Queen Elizabeth II demonstrated – “Service above Self”, making that commitment on her twenty first birthday. In 2013 Rotary International recognised Her Majesty Queen Elizabeth II with the prestigious Rotary International Award of Honour.

I am sure you share with me in recognising her passing and our expression of sympathy to His Majesty King Charles III and the other members of the Royal Family.'

We are adding our Club's farewell to Queen Elizabeth. A condolence book is available for signing in James Stevens' Office in Norwood, as well the one in Government House.

From the President

Was I surprised to see members happily chatting away long after the 13 September Meeting ended? Well yes because our meeting plans had to be quickly revised.... The Guest Speaker had to cancel at short notice..

He sends his sincere apologies and will reschedule soon.

ZOOM Attendees

We were pleased three members were able to join us online. We are doing our best to improve the experience. Thank you for your patience. It is also great if you can let Keith know if you plan on joining in as he is also taking Bulletin notes during the meeting. A busy time.

Citation Success

How good that we achieved a Rotary International Citation for 2021-22. PDG Jeff Neale was present last night, so an ideal time to present the award to PP Keith Payne.

Jeff praised our Club members and volunteers who work very hard to achieve Rotary Goals. Jeff said we are a busy, friendly Club with a great meeting format.

From RC of Morialta

Thank you for setting this up, it was a fantastic idea and I think it worked really well. A number of our members were familiar or had a connection from many years ago and so it certainly made conversations flow easily.

It was truly in the spirit of Rotary fellowship.

We look forward to continuing to connect!

*Kind Regards
David and Sabrina Koetsier*

A Paraprodokian

If at first you don't succeed, skydiving is not for you.

On The Lighter Side

A truck driver was eating in a truck stop when three bikies walked in. The first walked up to the driver and pushed his cigarette into his pie, and then took a seat at the counter. The second walked up to the driver and spat into his drink, and then he took a seat at the counter. The third walked up to the driver and turned over his plate, and then took a seat at the counter.

Without a word of protest, the truck driver quietly left the truck stop.

Shortly thereafter, one of the bikers said to the waitress, "Humph, not much of a man, was he?"

The waitress replied, "Not much of a truck driver either. He just backed his truck over three motorcycles."
