Report of Meeting 3247 held on Tuesday 1st November at the Kensington Hotel

Sergeant Arthur Manser called the meeting to order and David Heilbronn gave the invocation and toasts.

- Next week's meeting is at The Shed.
- Friday 14th November - BBQ at the Northfield primary school.
- A working with children permit takes about 1 week to obtain when applying online.
- Has anyone seen Pam's grey prescription spectacles? – lost at The Shed.

Guest Speaker

Mary-Anne Hannay introduced **PDG David Jones**, a member of the Mitcham Club.

David is currently the Chair of the District 9510 Rotary Youth Exchange Committee.

He said the Rotary Youth Exchange program commenced in 1929 in Copenhagen but it has only been an official Rotary program since 1972. The benefits of the exchange have been somewhat diluted by current communications and the internet.

It is a program for students enrolled in secondary education in years 9, 10 or 11. They must be aged 15 and not have turned 18 at the time of departure.

The Rotary fee for an outgoing student will be approximately \$9,000 which is paid by the student's family. The club obligations during the exchange are –

- 1 Communicate on a regular basis with the outbound student whilst on exchange.
- 2 Provide an opportunity for the student to address the club upon their return.
- 3 Provide a level of assistance to and accompany the student to the debrief session.

Inbound students need a student 500 visa issued through the Australian Home Affairs Department. Club responsibilities are –

- 1 To appoint a Rotarian as counsellor for the duration of the exchange.
- 2 Arrange schooling at an appropriate secondary school free of charge to the student.
- 3 Arrange travel to and from school.
- 4 Arrange accommodation for the student with host families at no cost to the student.

Costs to the Club are -

- 1 A monthly allowance of at least A\$150.
- 2 The cost of hosting the student at meetings.
- 3 Basic schooling costs such as uniform, hire of school laptop, books and travel to and from school.

David said that some of the concerns Clubs have when they are asked to host an inbound student are alleviated by the fact that the host families do not have to be Rotarians.

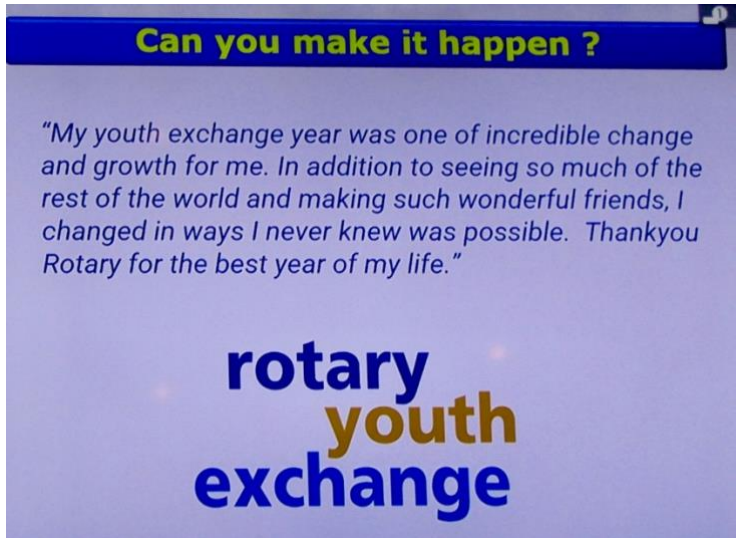

Parents of outbound students are encouraged to host and families in the school community may be willing to host.

However, families outside the Rotary community must be vetted and approved by the host club and briefed on their role and responsibilities.

Mary-Anne Hannay is one of the inbound student Co-ordinators.

Arthur Manser thanked David for his presentation.

Members Minutes

Mary-Anne Hannay is organising the sale of Rotary Christmas cakes and puddings (see flyer in this issue).

David Heilbronn said there are 22 members and partners booked to see the play 'Bedside Manners' at the Arts Theatre on Saturday 12th November. Meet at the Saracens Head Hotel at 5:45 pm for a meal together. David will have the tickets.

Helen Moyes asked members to advise her if they intend to attend the Design and Creativity Awards night.

Young Friends of Rotary Barbeque at Shed December 4th

As Area Governor, I heard about Young Friends of RC of Unley and contacted the club for more information. They have been mentoring a group of young people, mainly but not limited to the Unley area. The club has not used any funds on the group, except for an "official certificate" for Young Friends of RC Unley and there are no official ties to Rotary. The group raised their own funds for several projects as well as having mentoring by club members on CV's and job interviews etc.

President Pam and I have had several meetings with some RC of Unley members and discussed ways the two clubs could work together to expand the program and provide a venue for young folk to meet up post RYLA this year and to give back to the community. We also see this as a way of keeping in touch with Alumni going forward.

Following the event, we will advise the Board and Club members on what, if any are the next steps.

Chris Dawson reported that he and Romaine had attended the art exhibition at the Adelaide East Education Centre, a high school for students with disabilities. The two raised planters the Club donated for the use of students in wheelchairs are being used a lot.

With Pam, they visited the Marryatville Primary School to see the garden they have set up with the help of a donation from our Club. The school also has a larger garden and anyone is invited to help maintain it.

Arthur Manser thanked everyone for participating by wearing a hat and paying \$5.

Funds will be donated to Australian Rotary Health to enable it to 'Lift the Lid on Mental Illness'.

Arthur then posed some questions compiled by **Carmel O'Reilly** about hats.

Rhonda Heilbronn promoted the **Pre-loved Fashion Sale** at The Shed on the afternoon of 5th November and asked members to 'share' the information on Facebook.
