President's Remarks

It is with great pleasure we celebrate the Design and Creativity work of eleven secondary students.

Since 1994 the Rotary Club of St Peters through its Vocational Service stream decided to change its focus from recognising excellence in employment, to recognition of students who demonstrate exceptional skill in the completion of a "hands on" project.

Since 2018, the awards have been renamed the Design and Creativity Awards and promoted through schools within the eastern suburbs catchment area.

The awardees were nominated by their school for displaying excellence in their chosen fields.

Program

MC Greg then introduced Rotarian David Heilbronn who addressed the audience on Rotary International's around the world progress in eliminating Polio.

The proceedings were then followed by the evening meal of chicken or beef mignon wrapped in pancetta and vegetables.

Dessert was apple pie and vanilla ice cream.

Presentations

At 7:45 pm the proceedings of the schools' displays began.

Each school's teacher introduced their students and then the students gave a short but comprehensive report about their year 12 subject.
