Sunday 12th March - Environment Program tour from 9:30 am to 5:00 pm.

Program – Club Assembly

Dennis Henschke – Club Historian

Dennis has been compiling the Club history for the last 4 years and was impressed by what the Club has achieved over that period. There were 38 projects and 44 special occasions and a lot of money raised.

Topics for discussion

A Men's Kitchen - JUST IMAGINE - Romaine Dawson

This is a new project to develop and not a means of making money. Our club has been involved in hundreds of projects, so you know how it works? We help others, right?

The Men's Kitchen concept was reviewed this evening. Members had already had the opportunity to read about setting up an opportunity for supporting older men interested in learning about preparing food, self sufficient and friendships. The booklet said it all, a few questions will need to be considered but this is not intended to make our club money. This is a PROJECT designed to support our local community.

Just imagine - all it needs is a small group of six Rotarians or interested volunteers such as partners to be part of a working party to sit down over a coffee or something stronger and plan this worthwhile new project for our club.

There is plenty of time to decide how it can work. Start up times are generally 3-6 months before the first oven is turned on! If you have interest or someone you know, please contact me.

Honorary Membership

A sensible conclusion was reached as how to best utilize the provision in the Club constitution for appointing Honorary members. The Club board makes the final decisions.

Acknowledgement of Country

Much considered and wise discussion about this and for the pertinence to our club, a consensus was established.

Fines and Fun

Sergeant Arthur was in his usual 'fine' form.

Members wearing shorts were targeted and everyone was caught out thinking the significance of the day's date, the 14th February, was St Valentine's day, whereas it was actually the anniversary of the introduction of decimal currency.

St Valentine's Day was certainly on the minds of Chris and Romaine who had just returned from a romantic trip to the Riverland.

Apologies

Mary-Anne Hannay, Jim Owler, Wendy Gaborit, Adrian Esterman, Wayne Holton, Paul Holton, Bill Winslow, Carmel O'Reilly.

Rotary response to the earthquake in Turkey and Syria – from the RI website

Turkey and Syria were struck by a devastating earthquake on 6 February that has killed tens of thousands of people, destroyed thousands of homes and other structures, and left people across the region without shelter in bitterly cold winter weather.

The Rotary world responded to this catastrophe immediately. RI President Jennifer Jones activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.

The Rotary Foundation Trustees decided that all donations made, from now until 31 March, to the Turkey/Syria Disaster Response Fund will be used to aid earthquake relief projects. In addition, the Trustees made available more than \$125,000 to Rotary districts affected by the earthquake through Disaster Response Grants.

Rotary's project partner ShelterBox also has an emergency response team assessing the needs in the region and how it can respond. That team is communicating with Rotary district leaders. Rotary's service partner Habitat for Humanity International is also working on its response. Many Rotary members are asking how they can help. Here's how to have the greatest impact:

Give to Turkey/Syria Disaster Response Fund. Donations help clubs and districts provide aid and support rebuilding efforts where the need is greatest. The funds are distributed to affected communities through disaster response grants. The Disaster Response Fund can accept cash contributions and District Designated Funds (DDF). Support local initiatives. As we learn about local response efforts that are being led by clubs and districts, Rotary raises awareness about how to support them. People can then support these projects by working directly with Rotary members in the region.

Rotary Club of St Peters – Fellowship Event

Join us at the Hillbilly Hoot, Linde Reserve, Stepney on Monday 20th 27th February 7.45pm

Yes we are going to visit the fabulous **Hillbilly Hoot** which is held every **Monday at Linde Reserve**. Join us at 7.45 pm on **Monday 27th February**. ****Yes the date has changed****

Come and enjoy a variety of music presented by a team of dedicated local performers as they strut their stuff on the stage at the rear of the community centre by the creek. Don't forget to bring your chair & maybe some nibbles & a drink or two.

For those who would like a meal before we have booked tables at the **Avenues Café & Bar, Avenues Shopping, 106 Payneham Rd, Stepney SA**.

It's a short distance from Linde Reserve. We have booked for **6pm** to allow plenty of time for the meal before we wander over to the Hoot.

If you are interested in attending please advise Phil Smith (Ph 0413 788 731)

Women in Rotary – SA Chapter

Wednesday 8th March 2023

7.00am—9:30am

Adelaide Pavilion, Veale Gardens

(Cnr South Terrace and Peacock Rd)

Speaker : Dr Melanie Bagg

Dr Melanie Bagg GAICD, is the Chief Executive Officer (CEO) of the National Youth Science Forum (NYSF). In 2016 while working at the Australian Science Media Centre, Melanie was awarded the Unsung Hero of SA Science Communication for her voluntary contributions to translating complex science into something we can all understand as ABC Adelaide's regular Medical Science Myth Buster.

Melanie is passionate about helping young people understand what sorts of STEM jobs they can pursue and loves to connect the wider community with the latest research stories on social media and as a regular STEM commentator on ABC Radio National. NYSF is a not-for-profit organisation that has connected young people across Australia (particularly Year 11) with their aspiration for a career in science, technology, engineering, and maths (STEM) for over 38 years.

Tickets are \$45 per person (plus booking fee)

Bookings will open 4th January

<https://www.trybooking.com/CCREI>

Please bring your business cards for a door prize. There will be raffle tickets available for purchase, at \$5 per ticket, with excellent prizes.
