Thanks to all of our members and volunteers for the magnificent work at the Shed each week. The Club wishes to particularly

thank our volunteers by catering a lunch for you all on Friday, 9th June midday at the Shed. Members are most welcome to attend.

President's Report

- Club Changeover - Save the date – Sunday 25th June midday at Mt Osmond Golf Club.

District Assembly – Report by Mary-Anne Hannay

On Sunday 2 April Pam, Brian, Arthur, Wendy, Paul and Mary-Anne attended the District Assembly at St Michael's College at Henley Beach. The day was very busy and full of valuable information about how Rotary is moving forward.

We were welcomed by Paul Thomas and Di Clements was MC for the day.

The theme for 2023-24 is Create Hope in the World.

We listened to speakers -

Andrew Best spoke on opportunities for success in Rotary

Damien Leach spoke about the Rotary Foundation

Barbara Mifsud spoke on membership options and ways to move away from traditional meeting schedules

Andrew Johnson and John Rix expanded the changes in Risk and Insurance

Rachel Will from the Waikerie club and Heidi Unferdorben from the Adelaide Club spoke on the 100 year celebration of Rotary in Adelaide in 2023.

There was a fabulous lunch provided with many different options.

The afternoon was spent with people choosing to attend sessions of their particular interest.

Pam spoke extremely well on the role of being a secretary.

Other speakers focused on Club officers Roles, Membership, Youth, International Projects and Communications via club runner and public Image.

The day was great to network with other clubs and meet like-minded people.

District Governor Elect – Craig Dowling addressing the audience.

Guest Speaker

Romaine Dawson introduced Eve Corso, one of 2 NYSF (National Youth Science Forum) students sponsored by the Rotary Club of St Peters. Unfortunately, the other student Kaitlin Hease was unable to attend.

Eve used a PowerPoint presentation to describe her experiences in Canberra.

What did I learn?

Discovered the career opportunity of 'science communication'

Met new like-minded people and formed connections

Engaged with interesting online sessions which expanded my general knowledge

Developed skills applicable to my Year 12 studies

How I brought this learning into my Year 12 studies

- My studies of both Chemistry and Biology have been influenced by my experience at NYSF

Chemistry: Focused my Science as a Human Endeavour (SHE) topic on climate change and how society has accepted that it is inevitable, but this is not true and we need to restore hope! This was inspired by Dr Karl's Keynote.

Biology: Approached my SHE topic (Olfactory testing as a method of detecting Alzheimer's disease) from a science communication perspective, and instead of producing a scientific report, I presented my findings in a video format, where my audience was broader society who I was teaching about the impacts of this technology to society [preview on next slide].

My favourite online sessions

- Dr Karl Kruszelnicki's Keynote Speech, Science Communicator, who talked about climate change
- Tomas Piccinini, Design Thinking Workshop, helped with my research project (AIF) and leadership ideas
- Live Cross to the CERN Large Hadron Collider, exclusive tour, found it fascinating!

Thank you St Peter's Rotary!!

Your endorsement was much appreciated, and I will endeavour to find another student at my school to follow in my footsteps next year!

Keith Shaw thanked Eve for her presentation.

A special visitor

Angela Williams brought this lovely puppy to the meeting. 'Willow', who is 10 months old, is in training to be a therapy dog. She dutifully sat next to Angela and didn't make one noise during the meeting.

Members Minutes

Jim Owler reported that everyone was very pleased with the Shed sales on the day of the St Peters Fair. He also commended Dennis Henschke for his work in obtaining good prices for collectable items.

Jim also said he had attended the PETS (President Elects Training Session).

Wendy Gaborit said all members have been invited to attend the celebration dinner acknowledging the Centenary of Rotary in SA.

On Saturday 3rd June a Celebration Dinner will be held at the National Wine Centre. Wendy has booked a table so talk to her about joining the group.

Chris Dawson reported that the Peace Pole has been installed at the Marryatville Primary School.

Fines Session

Jim Owler caught everyone by surprise by asking if people could cook a sausage on a BBQ and when everyone indicated that they could, they had to contribute to the Club coffers.

Apologies
