The Return of the Platypus to the Torrens – Meeting to discuss -

"You may have heard of a plan to bring the platypus back to the Torrens River. Last recorded here in the 1880s. I am looking to bring a group of people together in North Adelaide on Wednesday evening 20th of September to hear from Green Adelaide who are leading this project. Location is the Lord Melbourne Hotel. This will include members of Rotary, Australian Conservation Foundation and schools along the river. A maximum of 40 people. From St Peters RC I would suggest two delegates would be ideal. ...Richard Bentley RC Walkerville."
Please contact Jim for further details if you wish to attend. (Stop Press: The meeting is fully subscribed! Ed.)

Regionalisation Information

Members are invited to join the discussion at a special Regionalisation Dinner meeting on Wednesday, 20 September at the Kensi Hotel. Please contact Wendy to register your attendance.

IN OUR COMMUNITIES AND IN OURSELVES

Screens

As we stand on the cusp of eliminating polio, we find ourselves poised for our next challenge. The time is right to move toward realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world.

To achieve the vision of Rotary International and The Rotary Foundation, we have set four priorities that will direct our work over the next five years.

ROTARY'S STRATEGIC PRIORITIES AND OBJECTIVES

INCREASE OUR IMPACT

- Eradicate polio and leverage the legacy
- Focus our programs and offerings
- Improve our ability to achieve and measure impact

EXPAND OUR REACH

- Grow and diversify our membership and participation
- Create new channels into Rotary
- Increase Rotary's openness and appeal
- Build awareness of our impact and brand

ENHANCE PARTICIPANT ENGAGEMENT

- Support clubs to better engage their members
- Develop a participant-centered approach to deliver value
- Offer new opportunities for personal and professional connection
- Provide leadership development and skills training

INCREASE OUR ABILITY TO ADAPT

- Build a culture of research, innovation, and willingness to take risks
- Streamline governance, structure, and processes
- Review governance to foster more diverse perspectives in decision-making

By honouring our past and embracing our future, we can evolve and keep Rotary not only relevant, but thriving.

Katherine Dumas, Rural Medicine Scholar

The Club was delighted to welcome Katherine Dumas.

Katherine is being supported by our Club as she works through her rural medicine training program.

Katherine told us of her experiences in Ceduna, Whyalla, Port Augusta, Yalata and Cummins.

Katherine hails from Perth so rural living was a new experience.

She has embraced the diversity of challenges faced by medical folk in the country with cheerful enthusiasm.

Katherine has a sunny, positive disposition.

Our Club was delighted to meet our 2023-24 Rural Medicine Scholar.

We wish Katherine every success and look forward to hearing of the next chapter of her training.

President Jim Owler thanked Katherine for her presentation.
