Hello from HANWASH – the Rotarian-led Haiti National Water, Sanitation and Hygiene Initiative!

Did you know that HANWASH was founded by, and continues to be led by Rotarian volunteers in Haiti and around the world? We would like to shine a special spotlight on those who make up the heart of our work in Haiti, the Club Presidents. Operating under a "Champion Partnership" model, Rotary Clubs in Haiti are joining forces with Rotarians in the US and Canada to create lasting change in communities across the country.

This month we are thrilled to introduce President Friscat Gilles, a remarkable leader who is spearheading projects that are transforming lives in the communes of Terre-Neuve.

**Friscat Gilles – President 2023-24,
Rotary Club of Memorial des Gonaïves**

HANWASH

Haiti National Water, Sanitation
and Hygiene Initiative

Friscat Gilles shares: I discovered Rotary because of their commitment to eradicating Polio and their dedication to providing water services for all. Water is an absolute necessity for life, so I became interested and eager to get involved to serve my community. When an opportunity arose in Terre-Neuve for a club focused on these issues, I knew I wanted to collaborate with existing clubs and members to address them.

As President, education stands as one of my top priorities. In Terre-Neuve, there are numerous talented young students who are unable to pursue education due to financial constraints. Alongside working with HANWASH, I strive to distribute school supplies such as backpacks and repair classrooms to support children in receiving an education. Additionally, I make efforts to educate others about the commendable work Rotary is doing for the community.

I consider myself an individual who acts. I dislike idleness and prefer being part of the solution. Working as a team and witnessing successful project completions brings me immense satisfaction. I eagerly look forward to maintaining this proactive outlook during my term as President and pushing forth projects that make a difference.

Apologies
