Fun fact: Keith has been in Rotary for 56 years!

Progress on the Shelter

This week has seen the completion of the shelter. President Jim and members of the Fundraising Committee have worked extremely hard and are delighted with the outcome. The Club is very proud.

An official opening is planned for 9th December.

Member for Sturt James Stevens MP, who secured half the funding from the Commonwealth Government, will be invited.

The completed project! Job well done!

Design and Creativity Awards

What a splendid evening.

The Club was very proud to host these awards for the 30th time!

We wish to thank all the students, parents, teachers, and schools involved.

63 teachers, students, families and Rotarians and partners attended the 30th annual Design and Creativity Awards last night. Each year the schools have selected some brilliant students to showcase their “hands on project” and last night was no exception.

We had seven students from 4 schools awarded last night. The heartfelt praise and reasons from the teachers why the students were selected was felt by all in the room. The students themselves showed confidence in speaking about their projects and demonstrated exceptional creativity, skill, and perseverance in designing and completing their project.

Prince Alfred College

A great meal and evening were enjoyed by all and certainly allowed our club members and partners to engage with the schools in the local community and increase awareness of Rotary and our club.

Brian Kretschmer
Director

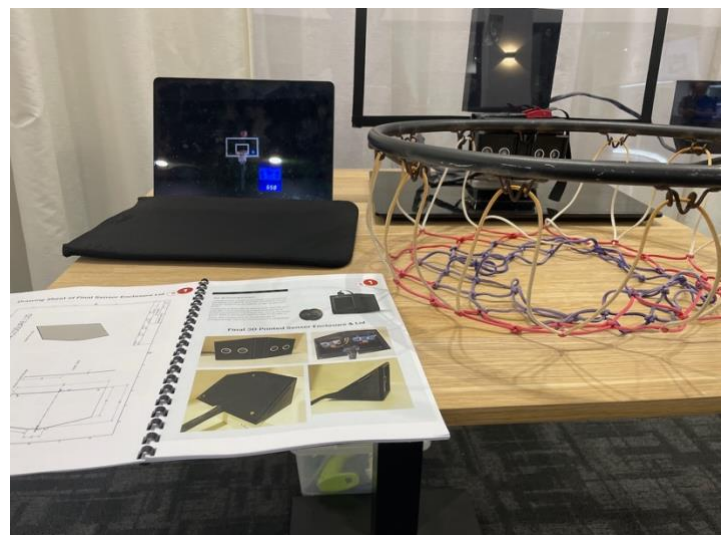

Special thanks to Rotarian Mary-Anne Hannay for all her work before, during and after the event.

Some students showed electronic presentations. These pics are either of the students receiving awards or their projects.
